TOWN OF WESTON

Middlesex County
Massachusetts

A part of Watertown 1630; incorporated 1712-13; Weston extends six miles north and south, three and seven-tenths miles east and west and covers an area of approximately seventeen square miles. It contains wooded hills and broad valleys through which flow the Charles River and many brooks the largest of which are Stony, Hobbs, Cherry and Seaverns. Nonesuch Pond on the Natick border is the only great pond of more than ten acres. The Town contains two aqueducts and reservoirs of the Metropolitan Water System and the Stony Brook Reservoir of the City of Cambridge. East and west traffic routes 30, 20 and 117 cross Weston on South Avenue, Boston Post Road and North Avenue. The Town is bounded by the cities of Newton and Waltham and the towns of Lincoln, Wayland and Natick in Middlesex County and the town of Wellesley in Norfolk County.

WARRANT FOR THE ANNUAL TOWN MEETING, 1943

Commonwealth of Massachusetts
Middlesex, ss.

To any Constable of the Town of Weston, Greeting:

In the name of the Commonwealth you are hereby required to notify and warn the voters of said Town, qualified to vote in elections and town affairs, to meet in the Town Hall, in said Town, on Monday, the twenty-ninth day of March 1943, at 12 o'clock noon to act on Article 1 of this warrant; and to meet in said Town Hall on the same date at 8 o'clock p. m. then and there to act upon the remaining articles of this warrant.

The polls for the election of town officers will be opened at 12 o'clock noon and may be closed at 7:45 p. m.

Article 1. To bring in their votes for the following town officers to be voted for on one ballot:

	For term of
A moderator	One year
One selectman	Three years
One selectman (to fill vacancy)	One Year
One member of the board of public welfare	Three years
One member of the board of public welfare (to fill vacancy)	One year
One assessor	Three years
One member of the school committee	Three years
A treasurer and collector	One year
One library trustee	Three years
One trustee of the Merriam Fund	Three years
One park commissioner	Three years
One cemetery commissioner	Three years
One cemetery commissioner (to fill vacancy)	One year
One member of the board of health	Three years
One commissioner of trust funds	Three years
One water commissioner	Three years
One water commissioner (to fill vacancy)	Two years
One member of the planning board	Five years
One member of the planning board	Four years
One member of the planning board	Three years
One member of the planning board	Two years
One member of the planning board	One year
A tree warden	One year
Three measurers of lumber	One year

Article 2. To raise and appropriate such sums of money as may be necessary to defray the costs of government and other town charges for the current year.

Article 3. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1943, and to issue a note or notes therefor payable within one year and to renew any note or notes given for a period of less than one year in accordance with Chapter 44 of the General Laws.

Article 4. To see if the Town will appropriate from overlay reserve the sum of \$7500 or any other sum to be used as a reserve fund.

Article 5. To see if the Town will appropriate from available funds in the treasury the sum of \$15,000 or any other sum and will authorize the Assessors to use said sum to reduce the tax levy for the current year.

Article 6. To see if the Town will appropriate the Dog Tax Refund received in the current year from the County of Middlesex and amounting to \$1,364.43 for Library incidentals.

Article 7. To see if the Town will appropriate from available funds in the treasury a sum of money for the purchase of war bonds or other bonds that are legal investments for savings banks, in order to establish a post-war rehabilitation fund, in accordance with the provisions of Chapter 5 of the Acts of 1943.

Article 8. To see if the Town will appropriate from available funds in the treasury a sum of money for the purchase and cancellation of outstanding bonds as authorized by Section 11 of Chapter 44 of the General Laws.

Article 9. To see if the Town will accept from Henry Davenport a gift of an oil painting of the Town House.

Article 10. To hear and act upon reports of town officers and committees.

Article 11. To see if the Town will petition the Director of Accounts for annual audits of the accounts of the Town and will request the Selectmen to take such action as may be necessary to provide for such audits.

Article 12. To see if the Town will accept the second paragraph of Section 15 of Chapter 129 of the General Laws as amended to provide that Inspectors of Animals be appointed by the Board of Health and not by the Selectmen.

Article 13. To see if the Town will extend the time within which a report may be filed by the Special Committee established by the Town

at the Annual Town Meeting of 1942 for the purpose of studying by-laws, standing votes and other regulations.

Article 14. To see if the Town will vote to request the Selectmen to make such provisions as may be necessary to have the National Colors displayed daily from the flag poles at the Town House, Weston's Roll of Honor and the Fire Station or to act anything relative thereto.

Article 15 To see if the Town will adopt a By-law in substantially the following form as Section 3 of Article IV of the By-laws.

The Superintendent of Streets shall have authority for the purpose of removing or plowing snow, or removing ice from any public way, to remove, or cause to be removed, to some convenient place, including in such term a public garage, any vehicle interfering with such work and he may, in the name of the Town, charge to and collect from the owner of such vehicle, the cost of such removal and storage charges.

Article 16. To see if the Town will adopt a By-law in substantially the following form, as Section 13 of Article III of the By-laws:

No person shall operate a motor truck or other vehicle within the limits of any highway in the Town for the purpose of collecting and disposing of ashes, rubbish, garbage, or other refuse unless such truck or vehicle is supplied with a suitable cover of wood, canvas or other substance satisfactory to the Selectmen.

And you are to serve this warrant by posting three attested copies thereof, according to the vote of the town, namely, at the Town House, at the Kendal Green Post Office, and on the town bulletin board at the junction of South Avenue, Park Road and Newton Street seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this seventeenth day of February in the year of our Lord one thousand nine hundred and forty-three.

HERBERT E. TYLER,
BRENTON H. DICKSON, JR.
B. LORING YOUNG,
Selectmen of the Town of Weston.

REPORT OF THE SELECTMEN

The Selectmen submit the following report for the year ending December 31, 1942, and include herein the budget of appropriations recommended for the year 1943 as provided by Section 5 of Article II of the By-laws. These appropriations have been approved by the Finance Committee.

At the annual town meeting held March 30, 1942, Herbert E. Tyler was re-elected a member of the Board for a term of three years. The Board organized immediately after the annual town meeting by the election of Mr. Tyler as Chairman and Mr. Young as Secretary.

During the year 1942 the Board held fifty-three meetings, one special meeting as a Board of Appeals under the Zoning Law, five joint meetings with the Finance Committee, five joint meetings with the Town Clerk, three joint meetings with the Water Commissioners, one joint meeting with the Cemetery Commissioners and one public hearing.

The list of officers and committees elected or appointed during the year and also a list of licenses and permits granted by the Board are set forth in detail in the Town Records printed hereinafter in this report.

THE WAR

The paramount objective of every American is complete victory. More than two hundred and eighty of our fellow citizens are already serving in the armed forces. A Weston-Lincoln Company of the Massachusetts State Guard has been organized. Civilian Defense has enrolled more than nine hundred volunteer workers. The people of Weston have led the country in per capita weight of tin can collections and have doubled the allotted quota of metal scrap. To stimulate interest in the scrap drive, Mr. Henry Davenport offered to give to the Town his original painting of the Town House when the quota was reached. Formal acceptance of the gift should be recognized by the voters at the Annual Town Meeting.

TOWN FINANCES

The Town, as usual, is in good financial condition. Surplus as of December 31, 1942, (see Balance Sheet, report of Town Accountant) was \$109,367.20, the largest on record. Uncollected taxes were \$16,617.62, the lowest figure in many years, a condition which reflects great credit on our competent Town Treasurer and Collector, Mrs. Helen E. Cutting.

The tax rate for the past three years has been \$21.00 per \$1000. of valuation. The tax payers and the town benefit from a stable tax rate. Wide fluctuations are confusing and make it difficult to plan in ad-

vance how to meet the burden of taxation. Of three hundred twelve towns in Massachusetts only eighteen had a lower rate than Weston in 1942 and most of these were small towns on Cape Cod or Martha's Vineyard or in the Berkshire Hills.

Thirty years ago, in 1913, Weston had a tax rate of \$11.50 and no debt. There were 486 voters and dwellings numbered 513. In 1942 we had 2400 voters and 1016 dwellings; our tax rate was \$21.00 and our debt \$221,000. In 1913 we had no adequate town buildings except the library, no town water system and very few modern roads; we had no building or zoning laws and the town had changed comparatively little since the Civil War.

Since 1913 the Town has issued bonds (not including temporary loans in anticipation of revenue) in a total sum of \$766,000. The following table shows the purposes, the dates of issue and the amounts paid off and still outstanding:

Purpose	Borrowed	Paid	Outstand- ing 1943
Fire Station 1914	\$15,000	\$15,000	
Town Hall 1916	75,000	75,000	
Water System 1921-41	427,000	305,000	\$122,000
Stony Brook Crossing 1931	15,000	15,000	
Schools 1931-1939	234,000	135,000	99,000
	<hr/> \$766,000	<hr/> \$545,000	<hr/> \$221,000

The largest debt outstanding in any year was \$492,000 in 1931. The latest maturities, at the rate of \$20,000 a year, will be paid in full in 1951. For the current year the town must raise \$35,000 for maturing debt and \$6,180 for bond interest, a total of \$41,180 or approximately \$4.00 per \$1000 on the tax rate. These figures show that while it is easy for a town like Weston to borrow money the burden of debt is reflected in the tax rate for many years. New capital additions and improvements will be needed in the future on an even larger scale than in the past. But new construction, whether buildings or roads, must of course be postponed until the war is over.

The budget recommendations have been prepared with care and have been studied with the Town Accountant and the Finance Committee. Certain comments seem advisable.

General Government. The item headed "Auditing—Town Accountant" is increased from \$1125 to \$1575. The town, on December 17, 1942, abolished the office of Auditor and voted for the appointment of a Town Accountant. The Selectmen appointed Hermann A. Dolbeare and fixed his salary at \$1500 a year. The Town Accountant shares with the Se-

lectmen the responsibility of preparing budget estimates and in addition Mr. Dolbeare will advise other town officers and committees on purchases and payrolls and will make investigations and reports when requested by the Selectmen or Finance Committee. The Town is fortunate to find Mr. Dolbeare available for this position.

The leaks at the east and west ends of the Town House have been a problem for many years. The Selectmen have consulted Giles Smith who was associated with the firm of Bigelow and Wadsworth, the architects who designed the Town House and supervised its construction in 1916 and 1917. Mr. Smith, after careful study, has decided that the gable ends of the building should be altered "so as to do away with the cast stone ornamentation and high Dutch gables and replace them with a simple Colonial Treatment." Mr. Smith has prepared a sketch and specifications and the cost is estimated at about \$4600. Appropriation for Town Hall has been increased from \$5000 to \$9550 to provide for this much needed work.

During 1942 unforeseen emergencies required unusual expenses at the Town House. Drainage pipes installed years ago became blocked with root growth and the pump in the basement wore out. New drainage systems and a new septic tank were installed at a cost of \$3,198.11. Offices for the War Price and Rationing Board were arranged at a cost of \$300.69 and the conversion of the furnaces from oil to coal with a necessary rearrangement of radiators and construction of a coal bin cost \$688.81. The Finance Committee transferred from the Reserve Fund the sum of \$3,175.13 to help meet these payments.

Protection of Persons and Property. Estimates for police and fire departments have been divided into Salaries and Wages and All Other Expenses. This is in accordance with approved budget practice and meets with the approval of the Town Accountant and Finance Committee. The same principle has been applied to the appropriations for Highways and Bridges and Water Department.

Total Appropriations. Our recommendations come to a total of \$265,470. This, however, is not a proper figure to compare with the total appropriations for previous years. Two special town meetings were held after the annual assessment had been made and the tax rate fixed. The meeting on December 17, 1942, appropriated \$4,500 and the meeting on January 20, 1943, \$4,100. If these two figures are added to our recommendations, the total becomes \$274,070. This is the proper figure to compare with appropriations of previous years. Appropriations made at special meetings are often regarded as having been taken from surplus or free cash in the treasury but permanent financing is required by state law and appropriations made after the tax rate has been fixed must be figured as a part of the next annual assessment.

In past years the town has occasionally appropriated a sum of money for the purchase and cancellation of outstanding bonds as au-

thorized by Section 11 of Chapter 44 of the General Laws. Towns may also, under Chapter 5 of the Acts of 1943, invest in war bonds, the purpose being twofold, first to assist the Federal government in financing the war and second to establish reserves so that capital improvements after the war may be financed from these reserves instead of by new loans. Articles 7 and 8 have been inserted in the Warrant so that these matters may be considered in case the voters of the town decide that a portion of the surplus should thus be set aside for future needs.

Special Town Meeting in December

A special town meeting was held on December 17 on a warrant containing fourteen articles. Although the votes adopted are set forth in the records of the meeting, a few comments should be made. Methods of study were established for consideration of retirement and contributory pensions, classification of personnel and salaries and certain new problems of insurance. The coverage under the Workmen's Compensation Act was broadened to include all employees of the town regardless of the nature of their work except police officers and members of the fire department who are excluded by law from the protection of the Act. The Selectmen were authorized to take out an insurance policy covering all employees and this was done on December 18. The new Planning Board statute was adopted. The Selectmen were authorized to appoint a Town Accountant and a Fire Department was established under the jurisdiction of the Selectmen. The protection of the State Civil Service laws was extended to the regular officers of the police force and statutes relating to vacations and uniforms of police and fire forces were accepted. The construction of a Roll of Honor was authorized.

Town Report

The Selectmen have made some changes in the form and arrangement of the Town Report in the hope of making it more simple, clear and readable. We have tried to conform to the standards of municipal reporting established by the Massachusetts Selectmen's Association under the guidance of Dr. Charles J. Rohr of Massachusetts State College. The articles in the warrant have also been slightly changed so that the votes adopted at the annual town meeting may conform with present law and practice. Articles 2 to 6 inclusive cover routine financial matters. Article 11 will bring up the question of annual instead of periodical audits by the Division of Accounts. Article 12 has been inserted at the request of the Board of Health. The other articles have either already been mentioned or require no explanation.

Town Property. A complete list of town property has not been published for several years. The following list shows the various items

of property on which the town now carries fire insurance together with the amount carried:

Building	Insurance Carried
1. New High School	\$197,500
2. Primary School	33,000
3. Grammar School (Old High School)	90,600
4. Town House	140,000
5. Flag Staff	1,000
6. Library	55,000
7. Fire Station	20,000
8. Pumping Station—Warren Avenue	9,000
9. Storage Building—Warren Avenue	2,500
10. Cemetery Office	1,500
11. Cemetery Storage Building	1,200
12. Kendall Green Pumping Station	7,000
13. Carver House	6,000
14. Swimming Pool Locker Building	2,200
15. Golden Ball Road Storage	800
16. Cutters Corner Barn	3,000
16a. Cutters Corner Dwelling House	6,000
17. Crusher Building—gravel pit	4,000
17a. Wooden buildings on Glen Road property foreclosed for taxes	3,500
18. Storage Shed—gravel pit—Kendall Green	700
	<hr/>
	\$584,500
Contents of all buildings	70,000
	<hr/>
	\$654,500

In addition the town carries insurance on two police cars, two Water Department trucks, five pieces of fire apparatus and one coupe, and nine trucks and other vehicles owned by the Highway Department, a total of nineteen motor vehicles insured for \$21,400. No insurance is carried on the old fire station at Kendal Green, the unused district school building on North Avenue, the standpipes on Doublet Hill and Paine's Hill or the new pump house and machinery installed by the Water Department in 1942 near Nickerson Field. These uninsured properties have a probable value of \$40,000.

Miscellaneous

Board of Appeals. On October 14 the Selectmen acting as a Board of Appeals under the zoning law held a hearing on the petition of L. Allen Thurston for a permit to operate the building known as Drabington Lodge on North Avenue as an apartment house. No plans or specifications of the proposed alterations were submitted. After

hearing the petitioner was given leave to withdraw without prejudice to her right to file a proper application for building permit with the Inspector of Buildings. No such application has been filed.

State Audit of Accounts. On November 10, Theodore N. Waddell Director of the Division of Accounts submitted to the Selectmen a report of an audit of the books and accounts of the town for the period from May 28, 1939, to August 22, 1942, made in accordance with the provisions of Chapter 44 of the General Laws. The report was most satisfactory. Everything was found in good order.

Appointments. On December 30, 1941, acting by authority of Federal law, the Selectmen appointed Brenton H. Dickson, Jr., Harry F. Warren and Francis G. Goodale as members of the War Price and Rationing Board. On December 3, 1942, after the resignation of Mr. Warren, the Selectmen appointed three additional members, namely Calvin P. Bartlett, Louis A. Nichols and William B. Nash.

On February 4, the Selectmen appointed Helen E. Cutting temporary Treasurer and Collector of Taxes under the provisions of Section 40, Chapter 41, General Laws.

The Selectmen met with the Cemetery Commissioners on September 24, and Edmund V. Mezitt was chosen a Cemetery Commissioner to fill the vacancy caused by the death of J. Lawson Foote.

On September 24, the Selectmen met with the Water Commissioners and Harold B. Colpitts was elected a member of the Board of Water Commissioners to fill the vacancy caused by the resignation of Abel J. Colpitts.

On November 3, the Selectmen met with the Water Commissioners and Oscar A. Schlaikjer was elected a member of the Board of Water Commissioners to fill the vacancy caused by the resignation of Archibald G. Monks.

We are grateful to all town officers and employees for their loyal service during a year of many problems and difficulties. And especially do we express our thanks to the Finance Committee and its Chairman, William R. Dewey, Jr. Mr. Dewey's unselfish cooperation and sound advice have been of great help.

HERBERT E. TYLER,
B. LORING YOUNG,
BRENTON H. DICKSON, JR.,
Selectmen.

Resignation of Mr. Dickson. On February 11, Brenton H. Dickson, Jr., tendered his resignation as a member of the Board of Selectmen to take effect on March 20, 1943. Mr. Dickson has served as Selectman since 1926 and has been Town Clerk continuously since 1918. Mr. Dickson has been a most valuable public official and his resignation was received with great regret. We are glad to state that he will continue to hold the office of Town Clerk.

HERBERT E. TYLER
B. LORING YOUNG

* Includes payments for traffic arteries and other highway construction in the Metropolitan District.

REPORT OF THE FINANCE COMMITTEE

The Finance Committee had ten regular meetings during the year, met five times with the Selectmen, and held an open meeting on February 15 for consideration of the tentative budget. About thirty-five voters attended the open meeting and expressed a strong desire that a similar meeting be held each year.

There have been two changes in the membership of the Committee. Because of business activity and additional duties in Civilian Defense, Mr. F. C. Dumaine, Jr., felt obliged to withdraw on April 13, 1942. In November, Mr. John B. Paine, Jr., tendered his resignation to enter the service of the United States Navy as Lieutenant. The resignations were regretfully accepted and, in accordance with Article 2, Section 9 of the By-laws, the Town Clerk and the remaining members of the Committee unanimously elected Mr. Earl H. Eacker and Mr. Everett Studley to fill the vacancies.

Budget. The appropriations recommended in the Selectmen's Budget to be voted on at the Annual Town Meeting total \$265,470. To this should be added, for yearly comparative purposes and, as required by Chapter 59, Section 23 of the General Laws, the appropriations of \$4,500 and \$4,100 voted at the Special Town Meetings held on December 17, 1942 and on January 20, 1943. This makes a total of \$274,070. In 1942, the comparable figure was \$284,235. Both totals are exclusive of the appropriation from Overlay Reserve to the Reserve Fund—\$7,500 in 1942 and \$7,500 recommended in 1943. The Finance Committee unanimously recommends the adoption of this budget.

Other Expenditures Payable from Revenue. Maturing bonds and State and County charges, which are not included in the above budget figures and which by law must be provided for out of taxes and other revenue, are compared with payments made in 1941 and 1942 in the table below:

	1941	1942	1943
School Bonds Maturing	\$14,000	\$12,000	\$12,000
Water Bonds Maturing	21,000	25,000	23,000
State Tax	26,235	23,850	7,950
County Charges (Including Middlesex Tuberculosis Hosp.)	17,570	15,047	14,071
Other State Charges	3,392	3,687	4,298
Total	\$82,197	\$79,584	\$61,319
Less Highway Fund distribution	16,542	16,542	0
	\$65,655	\$63,042	\$61,319

While there is a notable decrease this year in the State Tax, the State Budget provides no distribution of the State Gasoline Tax to cities and towns from the State Highway Fund.

Surplus. Surplus is the amount by which cash and uncollected taxes exceed the outstanding loans and other current liabilities shown in the Town Accountant's balance sheet.

On December 31, 1942, the Surplus account stood at \$109,367, or \$31,000 above the previous year's closing. This increase was not peculiar to Weston alone, for many towns and cities in the Commonwealth have experienced large increases in surplus during the past year.

The growth in surplus last year came principally from these sources: (1) unexpended appropriations and (2) revenues in excess of estimates. The Water and Highway Departments turned back \$15,000 of their appropriations because materials were not obtainable owing to war conditions. Other departments returned an aggregate of \$11,000. The collections of water revenues, public welfare reimbursements, motor vehicle excise taxes and other departmental receipts proved to be \$24,000 greater than the amounts forecast. The State Income and Corporation Taxes were more productive than the Tax Commissioner had foreseen, with the result that Weston finally received \$9,000 more from these taxes than the Commissioner had estimated. A further addition to Surplus came from tax title redemptions which were \$1,400 greater than tax titles taken.

The foregoing increases were partially offset by two drafts upon Surplus during the past year. One was for \$25,000, the amount of surplus available funds applied by the Assessors with the approval of the Tax Commissioner in determining the local tax levy for 1942. The other was the appropriation of \$4,500 voted at the Special Town Meeting in December.

It is customary for the Treasurer to supplement the cash resources of the Town with funds borrowed on temporary loans in anticipation of revenue. In 1942, the Town had the use of \$50,000 on a temporary loan for 9½ months. The ordinary disbursements last year were at the average of \$22,000 a month and, in addition, there were substantial payments for maturing bonds, State charges and County charges.

The Finance Committee is of the opinion that practically all of the present surplus should be conserved for future needs of the Town. Each year, while the war lasts, much maintenance and reconstruction work that would require steel, asphalt and other critical materials is being deferred, and the purchase of equipment, likewise, has to be postponed. A substantial accumulation of deferred maintenance in various departments, representing work ordinarily spread over several years, will need to be undertaken reasonably soon after the ending of the war. Several stretches of road are in need of reconstruction. Even when State and County contribute to the cost of road construction under Chapter 90, the net cost to the Town is \$10,000 a mile. After the war, there will be worn-out trucks and other equipment to be replaced. The expenditures

to be laid out after the war on these replacements and to make good postponed maintenance and improvements would cause, in all probability, a steep rise in the tax rate were the Town not fortunate in having saved up a surplus.

We are also confronted with the possibilities of legislation and other developments which may diminish the revenues available to the Town during the war, and for some time thereafter, or may result in placing additional financial burdens upon the Town.

While it is impossible to predict how much surplus may be needed eventually for the purposes indicated with so much depending upon the length of the war and other contingencies, the required expenditures will be heavy. In these times, the prudent policy for the Town is, in our judgment, to maintain a surplus of at least \$100,000.

The financial program of the Town should be planned to avoid sharp fluctuations in the tax rate. This is not the time to use up surplus in order to reduce taxes temporarily. If the Town is to forestall a sharp rise in the tax rate in the years immediately following the war, the existing surplus should be conserved.

There are three ways in which this can be done. First, surplus assets may be retained in their present form. Second, they may be invested in bonds. An Act passed this year by the Legislature, Chapter 5, allows towns to invest Surplus in bonds issued by the Federal Government and in bonds legal for investment by Massachusetts Savings Banks. However, none of these bonds can be sold until after the war is over. Moreover, the funds, and accumulated interest, may be used only for purposes for which a town may legally borrow money on a bond issue extending over a period of not less than ten years, except as the Emergency Finance Board of the Commonwealth otherwise approves. Third, a Credit Reserve may be set aside to buy in the bonds already issued by the Town of Weston.

The first plan is by far the most flexible as funds will be immediately available whenever the Town so votes. The second plan, investment in bonds, will produce some income but, at present market prices, the return is low. There is the serious disadvantage that funds will not be available until the war is over, even if an emergency arises. After the war, the use of the money is restricted to capital improvements, such as a schoolhouse, a standpipe, or a town barn, unless approval is received from the Emergency Finance Board to use the money for other purposes. Under the third plan, the possibility of purchase at par of any Weston Bonds, prior to maturity, is very remote.

Conditions are changing so rapidly that situations, now entirely unforeseen, might require substantial funds before the war is over. It would, therefore, seem advisable to keep surplus assets in readily usable form.

Tax Rate. The tax rate last year was \$21.00 per thousand. If the appropriations recommended in the budget are authorized and the plan herein recommended for conserving surplus is accepted by the Assessors,

a tax rate of approximately \$20.00 is indicated for the current year. It is not to be assumed that this rate can be assured after this year. In no year since 1929 has the tax rate been as low as \$20.00.

Layout of Roads. For some years, the Finance Committee has urged the Selectmen to undertake a systematic laying out of our roads by the County Commissioners. Many miles of our highways pass through vacant land. Last year, layout was started on four roads and it is hoped that this policy will be continued from year to year until all the highways are properly laid out. This work can be carried on under present conditions.

REPORT OF THE BOARD OF ASSESSORS

The Assessors submit the following report for 1942:

Town Appropriations:

To be raised by taxation, G. L. Chap. 41 Sec. 15A (including \$7500 Reserve Fund by appropriation from Overlay Reserve)	\$291,735.00
Maturing Debt	37,000.00

State Tax and Assessments:

State Tax	23,850.00
Metropolitan Parks and Reservations, 1942 Estimates	3,289.80
Metropolitan Parks and Reservations, 1941 Underestimates	45.20

Middlesex County Tax and Assessments:

County Tax, 1942 Estimate	12,450.95
County Tax, 1941 Underestimates	97.70
Tuberculosis Hospital Assessment	2,595.59

Overlay	4,342.24
---------	----------

Gross amount to be raised	\$375,406.48
---------------------------	--------------

Estimated Receipts and Available Funds:

State Income Tax	\$26,493.55
Corporation Taxes	4,070.45
Gasoline Tax	16,542.81
Motor Vehicle Excise	17,000.00
Licenses and Fines	125.00
General Government	1,200.00
Protection of Persons & Property	200.00
Health and Sanitation	200.00
Public Welfare (except federal grants)	1,500.00
Old Age Assistance (except federal grants)	4,000.00
Schools	2,200.00
Libraries	350.00
Water Department	35,000.00
Cemeteries (other than trust funds and sale of lots)	900.00
Interest on taxes and assessments	1,500.00

Total Estimated Receipts	\$111,281.81
Excess State Tax raised in 1941	55.93
Amount taken from Overlay Reserve by vote of Town	7,500.00

Amount taken from available funds with Approval of Commissioner, G. L. Chap. 59 Sec. 23	25,000.00	
Total Estimated Receipts and Available Funds		\$143,837.74
Net amount to be raised by local taxation		\$231,568.74
Local Tax Levy:		
1529 polls @ \$2.00 each		\$3,058.00
Personal Property	\$899,343. @ \$21.	18,886.20
Real Estate	9,982,115. @ \$21.	209,624.41

REPORT OF THE COMMITTEE ON PUBLIC SAFETY

The report of the Committee on Public Safety, submitted by Archibald G. Monks, Chairman, in 1942, described in complete detail, the local organization for Civilian Defense. That report cannot be improved and need not be repeated. The thanks of the Town are due Mr. Monks for his painstaking work and wise leadership. He resigned on September 30 to accept a position in the Boston Ordnance District of the United States War Department and B. Loring Young was appointed to fill the vacancy.

The entire Civilian Defense organization of more than 900 men and women has been maintained and developed. "The Alert," ten issues of which were published in 1942, has kept the public informed on public safety matters. The present organization is shown on the chart which is published herewith. The grateful thanks of the Committee are extended to every individual whose efforts have contributed to the success of our work. The photographs, showing important incidents of the scrap campaign, will be of special interest in the years to come.

B. LORING YOUNG, *Chairman*

Committee on Public Safety.

STEEL FOR THE WAR. AN OLD WIND MILL
(Pine Brook Valley Country Club)

REPORT OF THE BOARD OF PUBLIC WELFARE

The Board of Public Welfare submits the following report for the year ending December 31, 1942.

At the annual town election on March 30, Erlund Field was re-elected a member of the Board for a period of three years.

On May 12 the Board met and re-elected Margaret B. Warren as its chairman.

Brief comments on the various categories of relief follow:

Dependent Aid

(General Relief)

Expenditures on account of general relief, in the town, were less by some \$1400 than in 1941 and approximately \$3600 less than in 1940. The cost of cases in other cities and towns, chargeable to us, increased by about \$500 over 1941 and did therefore reduce our saving in this category to about \$900. This does not necessarily reflect employment conditions in other cities and towns. It just so happened that there were more cases chargeable to us and it is quite possible that all of them were unemployable. Employment conditions affecting residents of Weston could not have been much better than they were in 1942 and up to the time of this writing (February 1943). You will note from our statistical report that we had some employable cases. In each case however, the employable member of the family was working, but earnings were insufficient to maintain healthful living standards. Consequently, what assistance was rendered to these employable cases was supplementary in nature.

The number of unemployable cases does not vary a great deal from year to year. The tendency, as is to be expected, is upward, since this group includes families, no member of which is able to work and those who, but for some technical reason, would be eligible for Old Age Assistance.

In past years we have required employable recipients of general relief to work out their assistance on various town departments. This plan has not been operative this year due to the nature of our cases, as already explained.

The Highway Department has continued the delivery of wood, at our direction, to families receiving assistance in one form or another and who had use for this type of fuel.

The State Department of Public Welfare, through its Surplus Commodities Division, donated and distributed food and clothing to families listed by us. The combined value of the products so distributed was

\$1739.00. In addition to this foods, to the value of \$540.00, were supplied to the School Cafeteria.

The outlook for 1943, from our point of view, appears to be very good. A year ago we hesitated to venture an opinion as to what might happen if those in the sales end of business had nothing to sell. That question seems now to have been fully answered. Defense industries seem able to employ all who apply regardless of what their previous occupational experience may have been confined to.

Aid to Dependent Children

We have had no applications for this type of aid during the year. We dropped two cases, representing three children, ending the year with but two such cases, representing four children.

Old Age Assistance

On January 1, 1942 we had 35 active cases within the town (28 at the start of 1941). During the year we opened 5 new cases and closed 3, a net increase of two cases. Two of the new cases had previously applied, been denied, and had then become automatically eligible on May 1 when the provisions of Chapter 729 of the Acts of 1941 became effective. Of the various provisions of this Act, none has yet caused any considerable increase in payments except that raising minimum monthly grants from \$30 to \$40 to those living outside of their own family group. About one-third of our cases were eligible for this increase, the total cost of which is about \$1500 a year.

The rules of eligibility are now so liberal, and particularly so in respect to the amount children must be earning before they are to be considered liable to support their parents, that it can be said with assurance that our case load and the consequent cost will be much higher before it is lower.

It should be remembered, however, that only the smaller portion of Old Age Assistance is a direct expense to the town. A study of our statistical report, on the following page, will show the total paid for Old Age Assistance and, under Receipts, the amounts returned to us by the Federal Government and the State as their shares. The Federal funds are paid to us month to month and are available to be expended. The appropriations recommended for Old Age Assistance and Aid to Dependent Children are therefore less than the total estimated expense by the amounts we anticipate receiving in the way of Federal Grants.

The statistical report covers the year's work from an analytical standpoint and recommends appropriations for the coming year.

Further details may be found in the report of the Town Accountant.

REPORT OF THE SCHOOL COMMITTEE

The School Committee respectfully submits the following report for the school year ending December 31, 1942:

At the annual Town Meeting, March 30, 1942, Mr. Grant M. Palmer, Jr. was elected to the School Committee. On April 3, the committee met and organized for the year. Mr. William B. Nash was elected secretary and Mrs. David Blaney, chairman.

Mr. David A. Perry, after nine years of active and untiring service to the school, decided not to be a candidate for re-election. To him goes the appreciation of the whole Town as a most devoted and efficient member of the School Committee.

On May 16 the following appointments were made:

Mr. Carl T. Rhoades, Superintendent of Schools and Principal of the High School

Mr. Allan Cameron, Custodian of Buildings and Grounds.

Mr. Charles Fletcher, Assistant Custodian of Buildings and Grounds

Teachers:

Mrs. Vida Strahan	Miss Hazel Staples
Miss Louise Andrews	Mrs. Ruth Belknap
Miss Rhoda LeFavour	Mrs. Helen C. Hill
Miss Lucy Dodson	Miss Edna L. Johnson
Mrs. Virginia Morrissey	Miss Mildred Marble
Mrs. Ruth Gerleman	Miss Constance Burrage
Miss Lena Carter	Miss Elizabeth Cobb
Miss Pearl Coulthard	Miss Helen Green
Mrs. Georgiana Eldred	Miss Helen M. Harding
Miss Bertha McKinney	Miss Mildred E. Meyer
Miss Florence Rowley	Miss Rachel L. Spear
Miss Alice Bocquel	

In addition to the above, the following special teachers were appointed:

Mr. Wallace W. Sawyer, Sub-master of the High School and teacher of Science

Mr. John W. Zorn, Head of English Department

Mr. John S. Proctor, Coach and Director of Physical Education for Boys

Mr. William H. Taunton, Music Supervisor

Mr. Aimo Teittinen, Teacher of Industrial Arts

Miss Marjorie C. Brennan, Supervisor of Elementary Education

Miss Ruth E. Smith, Director of Physical Education for Girls

Mrs. Gudrun C. Payne, Teacher of Art

Also at this meeting the following appointments were made:

Dr. Fresenius Van Nuys, School Physician
 Dr. Faith S. Meserve, Assistant School Physician
 Miss Catherine Richards, School Nurse

In May the Committee received with regret the resignation of Miss Ella M. Brotchie. She taught in our schools for ten years. In June we received with regret the resignation of Miss Constance Burrage, after twenty-seven years of teaching the young people of the Town.

In June the committee granted leave of absence to Mr. Aimo Teitinen so that he might accept an appointment as instructor in the Naval Aviation Schools. Then in December, leave also was granted to Mr. John Proctor in order that he might enlist as a Lieutenant (j.g.) in the Navy Air Corps. We wish them both success and look forward to their return to our schools.

In June we elected Mr. Burnham G. Gage as substitute teacher of industrial arts; Miss Alma Elizabeth Stone as assistant in the kindergarten; and Mr. Charles K. Cummings, Jr. as teacher in the High School. In September, due to the unexpectedly large class enrolling in the kindergarten, the committee elected Mrs. Dorothy Mitchell as a teacher in the kindergarten.

The Committee would like to express here, on behalf of the Town, their sincere appreciation to Mr. Rhoades and the teachers of the school for the efficient organizing and management of the Sugar, Gasoline and Oil Rationing.

Last year we hoped, and money was appropriated, to materially improve the tennis courts at the school. However, due to the lack of labor and the difficulty in securing materials, it was impossible to do more than keep them in condition. Unfortunately this improvement will have to wait until the end of the war.

The disposal of waste has long been a problem, and last summer a proper incinerator was built which is most efficient and inconspicuous.

The problem of converting the heating plant at the school has been the most difficult one of the year. Last summer the plan of converting to stokers seemed to the committee to be impracticable because of our peculiar problems and because of the heavy expense involved. As the winter advanced and the oil shortage became more acute we realized something would have to be done, and so after consulting with the Office of Price Administration we applied for a stoker to convert one boiler to the use of coal.

Details of the school work will be found in the reports of the Superintendent of Schools and the special teachers which follow.

WILLIAM B. NASH,
 GRANT M. PALMER, JR.,
 MARJORY L. BLANEY.

School Committee.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee:

I am including with this report the attendance and census statistics, the reports from special teachers, and program of the Graduation Exercises of the Class of 1942.

Two years ago in my report I said that often boys and girls complete high school and even college without knowing what it means to earn money by working. Today all this is changed. High school pupils are working mornings before school, afternoons, evenings and week-ends. Some are working so much that it interferes with their school work.

The older students are much concerned about the war and their part in it. The boys are uneasy, wondering whether to enlist or wait for the draft, whether to go on to higher schools or colleges, and if they go can they finish or will the course be cut short.

All this is unsettling and disturbing to school routine but the students are earnest and sincere in their desire to serve their country, whether on the battlefield or the home front.

How can our schools do more to aid the war effort? The elementary schools require no change in curriculum for this purpose. "The fundamentals of childhood education, with their emphasis upon mental security, physical health and growth, and command of the tools of learning are not altered by the emergency."

We are constantly receiving suggestions, recommendations, outlines, etc. as to new courses and added emphasis on certain phases of the high school program. In general these recommendations center around mathematics, sciences, preinduction courses and physical fitness. I do not wish to make specific recommendations at this time but it will doubtless be wise to make some changes in the curriculum for the next year. What can be done in physical education depends largely on whether or not a trained man can be obtained to take Mr. Proctor's place.

The total enrollment this year is practically the same as last year but the kindergarten is about 25 larger than usual. The school census of this fall shows that next year's kindergarten class will again be of about normal size unless more children of that age move into town or a large number of those who normally go to private schools come to public school. A study of the Statistics of the Town of Weston (printed in all Weston town reports) shows that the school growth has never been uniform but has increased by 30 to 50 pupils some years and even decreased at times. But looking at any period of 10 years it may be seen that the average increase is very close to 2% yearly.

Miss Constance Burrage who had taught in the High School since 1915 retired last June. She taught English and History throughout her term of service. Her courses were always well planned and conscientiously taught. It was the common thing for her pupils to receive

honors on College Entrance Board examinations. I wish to express my appreciation of her work and best wishes for her future.

Miss Ella Brotchie also retired last June after teaching in the elementary grades for the past ten years. She was a capable and efficient teacher. Her fellow teachers wish her many years of happiness.

Mr. Teittinen and Mr. Proctor, now on leave of absence, both have commissions in the Navy. All join in wishing them good luck and hoping they will soon be back with us.

Class of 1942

There were 39 in the graduating class last June. Nine of these entered standard degree granting colleges and ten more enrolled at Junior colleges, business and secretarial schools, schools of nursing or other schools for further education. Six of the boys are now in the service while several others have enlisted, been accepted, and are now awaiting orders to leave. Five graduates of the class of 1941 who did not go to school last year have this year entered standard colleges. Mavis Gillette, a member of the class of 1943 entered Cornell last fall having been accepted at the end of her junior year in high school.

Scholarships and Prizes

The Charles J. Paine scholarship was awarded to Richard Martin, freshman at Massachusetts Institute of Technology.

The Women's Community League awarded scholarships to Renee Bowman at Smith College, Anne Tilton at Massachusetts State College, and Mary Dolan at Bryant and Stratton Business College.

The Horace S. Sears scholarship money was awarded in three portions to:

Donald Knight at Northeastern University

Edmund Peakes at Massachusetts Institute of Technology

James Funderburk at Boston University

The Washington and Franklin Certificate (no medal due to lack of bronze) for excellence in the study of United States history was won by Renee Bowman.

The prize of \$5.00 awarded by the Weston Post of the American Legion for the best examination on the United States Constitution was won by Mary Dolan.

Prizes from the Horace S. Sears Fund were awarded as follows:

1. For essays on the affirmative or negative of the question, "Resolved: That the Federal Government Should Regulate, by law, all Labor Unions in the United States."

First—Paula Cahill, Class of 1943

Second—Mavis Gillette, Class of 1943

Thirds—Barbara Kennedy, Class of 1942

Sanford Pooler, Class of 1942

Barbara Sherman, Class of 1943

2. Prizes for Good Citizenship

Girl—Anne Tilton

Boy—Robert Stevens

Again I wish to thank the school committee, parents and teachers for the co-operation and support given me.

Respectfully submitted,

CARL T. RHOADES.

Stephen Gilligan

SUPERVISOR OF ELEMENTARY SCHOOL

To the School Committee:

The significant position that mathematics has assumed in our present day life proves that the mastery of the four fundamental processes as stressed in our elementary grades is basic to the accuracy demanded by applied mathematics, as well as to practical considerations of many of the technical and related problems associated with the air age. A new text in arithmetic has been adopted throughout the grades.

Geography is the other subject that the present world crisis has forced back to a position of major importance. We will need to know more of the kind of geography now taught in our grades and we will need to know it better. It is the kind of geography that teaches how various parts of the world differ, how ways of living and working vary from place to place, and how living and working are related to the environment. The part played by the airplane in the present world-wide struggle has reminded us forcibly that we live on a spherical world. The too-often neglected globe has assumed a prominent place in our classrooms. New geography texts have been adopted with the thought that import of facts taught, more than the facts themselves, be considered, so that our education in this field will breathe the dynamics of the age in which we are living.

A survey on the amount of leisure time reading activity in the home, taken about a year and a half ago, indicated to us that the facilities of our children's room in the Public Library were not being used to advantage. A Wednesday morning program was instituted, in which three classes are scheduled to visit the library, once a month. During this period the children from our kindergarten through Junior High School have been taught how to use the library. The activities vary according to the pupil's age, from story-telling and enjoyment of pictures on the lower levels, to the ability to use reference material and the card catalogue, on the higher levels. We feel that this is an unique program and wholly due to the fine, generous, spirit of co-operation, shown by Miss Mosher, without whose help this project could never have gained such headway.

I wish to thank the school committee, the Superintendent of Schools, and the teachers for their co-operation and assistance.

Respectfully submitted,

MARJORIE C. BRENNAN.

SUPERVISOR OF MUSIC

To the School Committee:

The importance of music in our schools and organizations today should not be lost sight of even though so many vital and disturbing matters complicate our living.

All of the many branches of our Service men, together with the Women's groups trained to collaborate and support the less active work

in the armed forces, give an important place to the stimulating recreational, and spiritual aspects of music.

For these reasons, together with the importance music always has in our lives, we are trying to carry on as much training in school music as we can make possible under the existing circumstances. Because of the difficulties in transportation, we are unable to carry on with orchestra or any other activities which usually take place after school hours. However, in the hours allotted during school session, we are endeavoring to proceed with the usual training, and we look forward to the re-establishment of instrumental interest when order again takes place of world chaos.

We accomplished interesting work during the course of the past year. Several of the Grade groups gave musical plays. Our High School Glee Club presented Gilbert and Sullivan's Pinafore successfully, students putting every effort into the production and having the hearty co-operation of the teaching staff. The orchestras, still functioning at that time, played for the Grange, the annual High School Play, Pinafore, and Graduation exercises.

We regret that this year we were unable to transport our students to the Youth Concerts at Symphony Hall. This valuable service had, in the past, been arranged and financed by the Women's Community League.

Our music schedule is carried on with the full co-operation of Teachers and Superintendent, and I am always aware that any progress we make is due to that co-operation.

Respectfully submitted,

WILLIAM H. TAUNTON,

Supervisor of Music.

PHYSICAL EDUCATION

To the School Committee:

This report will be very brief as I am leaving tomorrow to assume my new duties as Lieutenant (j.g.) in the Navy Air Corps.

The past nine years spent at Weston High School as Director of Physical Education and Coach of sports have been very pleasant and enjoyable for me and I shall miss the school and all those connected with it.

Our Physical Education program has changed with the conditions and times and, as I reported last year, we have spent a great deal more time on calisthenics and general conditioning exercises. I should like to suggest that if possible, more time be allotted to Physical Education, just doubling our present periods, especially in the Senior High School. We should endeavor to sponsor our interscholastic sports as long as we can because of the natural competitiveness and aggressiveness that are derived from them. Our afternoon intramural basketball and hockey

leagues are developing keen rivalry and are good substitutes for the interscholastic basketball that we have played in the past.

The results of our athletic contests for the year 1942 were not quite as good as they have been in the past, but a keen interest has been maintained regardless of results.

A new hockey rink is in the process of construction and I hope that a sum will be appropriated for the care of the pond and its upkeep.

Our Girls' Physical Education program is functioning very well and Miss Smith is doing an excellent job with Physical Education classes and sports. The girls are receiving instruction in modern dancing and a large group come several afternoons after school; on other days there are various intramural games. The girls are also planning to play interscholastic games in basketball, but with transportation problem as serious as it is, they will have a more reduced schedule.

Respectfully submitted,

JOHN S. PROCTOR.

SCHOOL NURSE

Year Ending December 31, 1942

To the School Committee:

The following is a report of the combined activities of Mrs. Golden and myself.

There were 667 Health Examinations done this year.

57 children were immunized against Diphtheria.

1656 children were given First Aid treatment.

462 children had Hearing Tests.

560 had Dental Examinations.

1439 children were weighed and measured.

281 school visits were made in the home for follow up work.

I wish to thank the Superintendent of Schools, school physicians, Board of Health, teachers, and parents for the help that they have given me.

Respectfully submitted,

CATHERINE RICHARDS.

INDUSTRIAL ARTS

To the School Committee:

It should be of interest to the citizens of Weston to know that the school shop is one of the finest and best equipped shops of its kind in the state of Massachusetts.

"Industrial Arts" as manual training is now called has made rapid changes and developments in the past 15 years. Through the efforts

and fine work of Mr. Teittinen, the Weston school shop from both the standpoint of equipment and organization, is one of the best of its kind.

Due to the sudden departure of Mr. Teittinen, it was not possible to get all the necessary information as to the program he had established. However, enough was obtained to be able to carry on the work in much the same manner.

It has been necessary to make some changes due to the war. The inability to obtain various metal, has eliminated to some extent, the art metal phase of the work. Although there is some metal on hand, we are not promoting the making of Art Metal projects. Sheet Metal work and processes are still carried on using tin can metal and Galvanized iron of which we have a good supply.

The addition of a Metal Lathe last spring has created a great interest in many of the boys. A small class from the High School group has been formed to take up a systematic study of the lathe and its uses. Each member has purchased an instruction book for his own use. One boy became so interested that he transferred to Waltham Trade School in order to learn to be a machinist.

A decided increase in the number taking Mechanical Drawing is noted. A class of 17 which includes 10 Seniors is taking this subject for the first time. Eight are taking advanced drawing.

Ind. Arts III, the carpentry class has had many practical projects, having laid a rough floor for a new supply room for the lunch room, erected shelves and done other work for the kindergarten. At present they are working on a hockey rink which is being constructed in behalf of the government's program to increase physical training.

The present war has brought out the fact that due to the lack of trained men in mechanical skills, the need for Industrial Arts is more apparent than ever before.

Respectfully submitted,

BURNHAM G. GAGE.

ART REPORT

To the School Committee:

The courses in art begin in the first grade and follow through the Junior High School. Crayons and chalk are used in the lower grades with easel painting optional. The fifth grade is introduced to water colors and most of the lessons revolve around color. The Junior High School uses poster and water color paints almost entirely and have become very adept in the use of washes and simple color theory. The most interesting project in the Junior High School is the Animal Posters which are entered in the yearly contest sponsored by the Society for the Prevention of Cruelty to Animals.

The High School pupils had an exhibition of large flower panels executed in tempera on black paper. They were pleased with the many compliments received. The big project of the year was the scenery painted Saturday mornings and during vacation for the operetta H. M. S.

Pinafore presented by the High School. Many colorful posters were painted and posted around the town announcing the event.

I wish to take this opportunity to thank Mr. Rhoades and the School Committee for granting me a four months' leave of absence. Mrs. Corinne Simmons of Waltham carried on the art classes very successfully and I am very grateful to her for her good management and excellent ideas.

Respectfully submitted,

GUDRUN G. PAYNE.

LUNCHROOM REPORT

To the School Committee:

Because of Rationing, Shortages and Substitutes, which pertain to the Cafeteria as well as homes, we have been unable to serve the same quantity or quality of food as usual. However through the use of Agricultural Marketing Administration foods and increased volume of business we have not had to increase our prices to date.

In accordance with the National Nutrition Program and in connection with the Lunch Room a Nutrition Council has been organized. Through educational programs, sponsored by this council, it is hoped that the Nutrition habits of our school children may be improved.

Because of the increased number of children using the Lunch Room the problem of noise has become acute. It is recommended that the Town look into the possibility of sound proofing at the earliest opportunity to provide a better atmosphere and eating conditions.

Respectfully submitted,

ELIZABETH P. COBB,

Supervisor of Home Economics.

REPORT OF THE SCHOOL PHYSICIAN

To the School Committee:

The duties of the school physicians are necessarily routine. Regularly every Monday morning, at the beginning of classes, there is an inspection of all students' throats.

For a long time, after this procedure was started, one or more pupils were sent home each Monday with some throat infection. Nowadays it is rare for an inflamed throat to be found. It may be that sore throats are less common, or that ailing pupils stay at home, of their own accord, for one day at least.

The annual physical examinations are completed in the fall, the immunizations in the spring.

Respectfully submitted,

F. VAN NUYS,

School Physician.

REPORT OF THE COMMISSIONERS OF TRUST FUNDS

The Merged Trust Funds Investment Account and the World War Trust Fund, with a detailed list of investments of all trust funds, are submitted below.

Under the will of the late Fannie E. Morrison, the Town of Weston Library Fund was a beneficiary in the substantial amount of \$10,000 which was received this year.

Reference is hereby made to the report of the Town Accountant which gives a list of the individual trust accounts with receipts and expenditures of income. Accordingly, in the interest of economy, these figures are omitted from this report.

Summary

Merged Trust Funds

ARTHUR H. MORSE,
 GEORGE STURGIS,
 HOMER F. WHITTEMORE, Chairman

Commissioners of Trust Funds

REPORT OF THE BOARD OF HEALTH

The Board of Health submits the following report for the year 1942:

I

Members and Officers

Dr. F. Van Nuys, Chairman
W. C. Reed, Secretary
F. H. Allison

The Board appointed the following officers:

C. M. Hilliard, Supervisor of Health and Milk Inspector
Harold B. Colpitts, Inspector of Plumbing and Sanitary Inspector
B. H. Dickson, Jr., Special Agent to issue Burial Permits
Mrs. Violet Golden, Public Health Nurse (resigned 6/1/42)
Miss Catherine Richards, Public Health Nurse (appointed 5/30/42)
Dr. Robert McGuane, School Dental Physician (resigned 3/7/42—
U. S. Army)
Dr. Shelley B. Osborne, School Dental Physician (appointed 4/14/42
resigned 12/15/42)
Dr. Paul Granholm, Inspector of Slaughtering

II

Licenses granted by the Board during the year:

To sell milk and cream:

DeNormandie & Verrill (2)	Whiting Milk Co.
David Buttrick Co.	Estate of George L. Chapin
Lyndonville Creamery	Charles L. Woodland
John Clark	H. P. Hood & Sons
H. L. Stone Dairy, Inc.	Deerfoot Farms Co.
Cloverluck Dairy, Inc.	Ferndale Dairy, Inc.
Louis W. Dean	A. W. Recka
D. L. Comiskey, Valley Farm	Meadowbrook Farm, Inc.
Hillside Dairy Co., Inc.	

To operate pasteurizing establishments:

John H. Clark	Meadowbrook Farm, Inc.
	Ferndale Dairy, Inc.

To sell alcohol:

Stony Brook Service Station	Colburn's Gas Station (2)
Benjamin R. Parker	Colonial Motors

Other licenses issued:

To sell milk and cream (stores and restaurants).....	9
To sell oleomargarine	1
To collect and/or transport garbage.....	2
To clean cesspools (2).....	1
To manufacture ice cream	1
To manufacture carbonated beverages.....	1
To install septic tanks	10
To maintain a milk farm.....	1

Eleven regular meetings of the Board of Health were held during the year.

Dr. Robert McGuane resigned as dental physician to take effect in April, to join the U. S. Army, and Dr. Shelley B. Osborne was appointed to this office. Mrs. Violet Golden, the public health nurse, resigned in June, and Miss Catherine Richards was appointed to succeed her.

Following a recommendation of the State Department of Public Health due to the occurrence of rabies in a nearby community, the Board of Health recommended to the Board of Selectmen that an order restraining all dogs, excepting those vaccinated, for a period of ninety days be adopted and enforced. This recommendation was followed. To meet this emergency, the Board of Health conducted an additional dog immunization clinic.

Because of the increasing success of vaccination as a measure to prevent whooping cough, the Board approved the establishment of clinics to immunize infants and young children who cannot obtain such treatment through private practice.

For purposes of economy and efficiency the Board will recommend at the annual Town meeting that the Animal Inspector be appointed by the Board of Health instead of by the Board of Selectmen. Such action is permitted because of recent state legislation.

Dr. F. Van Nuys, Chairman
Walter C. Reed, Secretary
Frank H. Allison

Board of Health.

REPORT OF THE SUPERVISOR OF HEALTH

To the Board of Health:

Gentlemen:

I hereby submit my report as Supervisor of Health, acting under the direction of the Board of Health, for 1942.

General

Measles and whooping cough were mildly epidemic during the year, the whooping cough outbreak occurring in January, and measles showing increasing incidence up to the end of the year.

There were no cases of diphtheria, typhoid fever, septic sore throat, or undulant fever.

It is hoped that the Town will transfer the appointment of Inspector of Animals to the Board of Health as permitted by law to bring about greater coordination and efficiency in the handling of animal bites, as well as to effect a slight economy.

The problem of public collection of garbage has been the subject of discussion, but the time has seemed inappropriate to inaugurate this because of the war emergency.

The Board of Health has been gratified with the way in which the Health and Social Services Committee of the Weston Committee on Public Safety has developed its program, particularly in relation to the public immunization clinics that were held. It stands ready to cooperate in any possible way with this Committee.

An important advance in preventive medicine will be inaugurated next year with the introduction of clinics for the immunization against whooping cough for children who are unable to obtain this service privately.

Diseases Dangerous to the Public Health

Diphtheria:

Nine years have passed since the reporting of the last case of diphtheria. This record should continue indefinitely if all children, especially pre-school children, are routinely immunized either in private practice or public clinics. At the clinics conducted by the Board of Health, a total of fifty persons received prophylactic inoculations, twenty-two of these being under the age of five years. Ninety-two Schick tests were administered and read, twenty of these being positive.

Tuberculosis:

One new case of tuberculosis was reported during the year, and there was one death from this cause. There was no school clinic as this is administered in alternate years.

Laboratory

The table below shows the number of diagnostic and sanitary tests made during the year. The milk was of exceptionally high quality from the standpoint of bacterial content, cleanliness and chemical composition.

Milk and Cream

Regular Samples	118
Special Samples	2
	<hr/>
Total	120

Water

Town Water	12
Special Samples	10
	<hr/>
Total	22

Laboratory Diagnosis

	Pos.	Neg.	Susp.	Total
Tuberculosis (sputum)		6		6
Typhoid (Widal)		1		1
Gonorrhea		3	1	4
Streptococci		1		1
				<hr/>
Total				12

Dental Clinic

The work at the dental clinic has suffered because of difficulty in maintaining an operating dental physician. The quantity of the work shows a sharp decline, and at the time of writing this report, we have not secured a dental physician to take the place of Dr. S. B. Osborne. Every effort should be made by parents to provide dental care for their children's teeth to reduce the load on the clinic if and when it is reopened.

Total number of patient visits.....	287
Total number of fillings.....	189
Total number of extractions.....	53
Total number of prophylaxis	50
Total number of certificates	33

Dog Clinic

Due to the presence of rabies in a neighboring town, the Board of Health, on recommendation of the State Department of Public Health, requested the Selectmen to place a ninety day quarantine on all dogs, making certain exceptions for animals that had been inoculated. So far, no rabies has occurred in Weston.

To meet the emergency, the Board arranged a special immunization clinic. The total number of dogs treated at this clinic and the regular clinic held in the Spring was three hundred and eighty.

Complaints

Fifteen complaints, as compared with five for last year, were registered with the Board of Health. These were all inspected and proper action taken in each case.

Maternal and Child Hygiene

No progress has been made regarding the establishment of maternal and well child conferences as was recommended in last year's report. At an appropriate time, such conferences should be established to bring Weston into line as having a modern public health program.

Births and Deaths

There were thirty-seven deaths, giving a rate of 9.3 against 12.7 for 1941. There was but one death due to an infectious cause, and only one resident death occurred in a person under forty years of age.

Both births and deaths were exceptionally low this year. There were but thirty-five births, giving a rate of 9.6 against 14.4 for last year.

CURTIS M. HILLIARD,

Supervisor.

REPORT OF INSPECTOR OF ANIMALS

The State cancelled the regular inspection and listing of livestock this year because of the shortage of rubber and gasoline. Nineteen head of cattle which came from out of state were inspected and twenty-three dogs were quarantined at the request of the State Department of Public Health, Division of Live Stock.

J. SUMNER VILES,
Inspector of Animals.

REPORT OF THE PLUMBING INSPECTOR

To the Board of Health:

I herewith respectfully submit my report as Plumbing Inspector for the year 1942.

There were 24 permits issued. These included new and old buildings and alterations. Of these 3 were for new buildings and 21 were for alterations.

The sum of twenty-eight dollars and fifty-cents (\$28.50) was received for permits and the money paid to the Town Treasurer.

HAROLD B. COLPITTS,
Plumbing Inspector.

REPORT OF THE TRUSTEES OF THE PUBLIC LIBRARY

The Board organized for the year by choosing Mr. Palmer, chairman and Miss Fiske secretary.

Due to the shortage of fuel oil, the furnace has been reconverted to coal. Some grading and planting and work on the shrubbery has been done. The doors and the trim around the windows have been painted.

The Weston Garden Club has placed flowers in the Library all through the summer, for which we are very grateful.

In connection with defense, dim out curtains have been installed on the main floor. War savings stamps are on sale at the Library. The Librarian, Miss Howe, has been appointed an Air Raid Warden. A new Victory Book Campaign is now in progress for which the Library is the collecting point, as it was last year, and it is hoped that there will be a generous response.

At the request of many patrons and in view of present conditions, we have made changes in the schedule of Library hours by adding morning hours and shortening the evening hours. The present schedule is set out in the Librarian's report.

We are continuing the feature begun last year of having groups of the younger children from the public schools make weekly visits to the children's room, at which the use of the Library is explained to them and books are borrowed.

We have accepted in behalf of the Town a generous bequest to it in the will of Mrs. Fannie E. Morrison of \$10,000. "to be devoted to the purposes of the Weston Library and to be known as the Fannie E. Morrison Library Fund."

We request an appropriation of \$5,550. in addition to the usual allocation of the dog license refund to the Library. The report of the Librarian is appended.

G. M. PALMER, JR.,

GERTRUDE FISKE,

MILES HANSON, JR.,

Library Trustees.

To the Trustees of the Public Library:

The librarian submits the following report for the year 1942:—

Number of books purchased	1,082
Number of books presented	10
Number of magazines bound	4
Number of books rebound	244

CIRCULATION

Number of days the Library was open	302
Adult registration	2,010
Juvenile registration	551
Books issued, non-fiction	11,261
Books issued, fiction	19,768
Books issued, juvenile	16,001
	<hr/>
	47,030

Library hours: 2 to 8 P. M., Monday, Wednesday, Friday, Saturday; 2 to 5:30 P. M., Tuesday and Thursday; 9 to 12 A. M. Tuesday, Thursday and Saturday.

Children's Room 2 to 5:30 Monday, Tuesday, Wednesday, Thursday, Friday and Saturday; 9 to 12 A. M. Saturday. Closed Sunday and legal holidays.

Books and pamphlets and magazines have been received during the year from:—

Automobile Manufacturer's Association, Boston Center for Adult Education, Boston Public Library, Carnegie Foundation, Lend A Hand Society, Massachusetts State College Extension Service, Massachusetts Division of Public Libraries, Massachusetts Division of University Extension, Secretary of the Commonwealth, Scribner Publishing Company, United States Office of Education, Conservation Division War Production Board, Weston Committee on Public Safety, Massachusetts Audubon Society, Russell G. Carter, Louisa W. Case, Marion B. Farnsworth, Francis G. Goodale, Russell Hall, H. M. Hook, Elizabeth Locke, Charles H. Stimpson, Sr., Homer N. Sweet, Henry D. Warren, B. Loring Young.

The following periodicals are received at the Library:—

Quarterly

*Foreign Affairs

*Yale Review

New England Quarterly

Monthly

American Cookery

Antiques

REPORT OF THE TOWN CLERK

Births, Marriages and Deaths

RECORDED IN THE TOWN CLERK'S OFFICE OF THE TOWN OF
WESTON FOR THE YEAR 1942

Number of births recorded	33
Number of marriages recorded	66
Number of marriage certificates issued during the year	61
Number of deaths recorded	37
Residents of Weston	33
Non-residents	4
Population of town, 1940 U.S. Census	3590*
Death rate per thousand	9.19
*Population of town, 1942 census taken for Committee on Public Safety	4375

Marriages

JANUARY

2. Horace Edwin Dort of Wellesley and Norma Isabel Kingsbury of Weston
8. Roland Lewis Bumpus, Jr. and Alice Augusta Lurchin, both of Weston
15. Chester Francis LeBlanc of Weston and Ann Ruth Mackin of Watertown
17. Brenton Victor Schofield and Virginia Millicent Cahill, both of Weston
17. Charles Batt Marshall of Weston and Helen Marie Hall of Auburn-dale
23. Benjamin S. Blake, Jr. of Weston and Mary Alice Blake of Dedham

FEBRUARY

7. Eugene Clark Worman, Jr., of Cambridge and Dorothy Penrose Davis of Weston
9. Charles Emmett MacLeod of Weston and Gertrude Anne Ford of Stoneham
12. Douglas Henderson of Weston and Dorothy Frances Henderson of Winthrop
14. Arthur Joseph Powers of Waltham and Theresa Grace Miller of Weston
21. Russell David Beebe of Weston and Elizabeth Ann Lenz of Wilton, N. H.

23. Walter Edward Kneeland Jenkins, Jr., of North Carolina and Laura Dearing Van Huysen of Weston
25. Edward Lester Davis, Jr., of Newton and Adeline Farrington Pear of Weston

MARCH

7. William Frederick MacLeod and Jane Foote, both of Weston
11. Edward Bourque of Weston and Celina Belliveau of Waltham
21. Francis Arthur Wilson of Buffalo, N. Y. and Carolyn Wills Page of Weston
21. Edward Francis Eccleston of Bangor, Maine and Teresa Katharine Stumcke of Weston
23. Raymond Eliot Ogilvie of Weston and Olive Katherine Holbrook of Waltham

APRIL

9. Dudley Talbot of Weston and Hope Halsey of Boston
11. Willy John Arthur Feuerlein of Chevy Chase, Md. and Margaret Elizabeth Gammons of Weston
22. Joshua Clapp Hubbard of Wayland and Martha Brewer of Weston

MAY

14. Ray Greene Huline and Olive Winter Gallupe, both of Newton
16. Weston Gray Capen of Rockland and Rose M. Kowalski of Hanover
23. Robert Woodward Bliss of Weston and Lois Evelyn Gates of Ashburnham
29. John Lowell of Westwood and Eleanor Trumbull of Weston
30. Joseph Henry Damon, Jr., of Waldoboro, Maine and Mildred Evelyn Meyer of Weston
30. George Pierce Towle, Jr., of Weston and Lillian Frances Wright of Newton

JUNE

8. Reynold Leo Brown of Weston and Mary Agnes Dillon of Dedham
13. Russell Hastings Peck of Concord and Pennell Crosby of Weston
20. Vincent Hatfield Hazard of Jamaica Plain and Mary Chapman Coburn of Weston
27. George James Parsi of Hartford, Conn. and Evelyn Frances Davis of Weston
28. George Bradford Foote of Dublin, N.H. and Anna Putnam Smith of Weston

JULY

4. Joseph James Luppino, Jr., of Watertown and Phyllis Marion Harvey of Weston

18. Ralph Richard Graves of Williamsburg and Marcia Pollock Hobbs of Weston
27. Daniel Joseph Doyle of Roxbury and Helen Christine DeLong of Weston
30. Frank Joseph Dailey, Jr., of Dorchester and Helen Rand of Weston

AUGUST

2. John M. Jackson of Weston and Catherine Chatham of Boston
14. Stephen Thayer Whitney of Weston and Sarah Elizabeth Upton of Wayland
15. Thomas Edward Harmon of Jersey City, N. J. and Marion Coburn of Lincoln
16. Walter Joseph Zezuski of Medford and Mary Margaret Bishop of Weston
29. Charles Lester Ellis Bolton, Jr., of Weston and Marion E. Goodale of Waltham
29. Faulkner Lacey of Keene, N. H. and Helen Clough Pooler of Weston

SEPTEMBER

5. Lawrence James Kenney of Concord and Mary Rose Sheehan of Weston
6. Paul Joseph Bergeron of Weston and Constance Virginia Newton of Waltham
19. Christopher Baird Sykes of New York, N. Y. and Corita Josephine Arche of Weston
26. Kenneth McKinley Warren and Beulah Helen Moore both of Delphos, Kansas
29. Symond Golub and Leila Juliana Jacobson both of Weston

OCTOBER

2. Bruce Everett Morgan of Providence, R. I. and Doris Marguerite Loughlin of Weston
5. Richard Henderson of Weston and Virginia Louise Merrill Robinson of Wollaston
9. Walter Temple Goodale of Weston and Edith Tuttle Ford of Natick
10. Daniel William Brown of Waltham and Mary Theresa Donahue of Weston
23. William Edward Whittemore of Weston and Margaret Birmingham of Wellesley
24. John Holroyd Kempster of Columbia, Mo., and Sherley Helen Lang of Weston
25. George Edward Bulwinkle, Jr., of Weston and Ruth Rosalie Wilson of Arlington
30. William Lloyd Chipman of Weston and Olive Vesta Heuermann of Somerville

NOVEMBER

7. Alfred Benotti of Weston and Elena Adele Cevolani of Wellesley Hills

DECEMBER

4. Francis Bacon Latady of Cambridge and Joan Pushee of Wayland
 5. Clifford Clarence Cooper, Jr., of Weston and Charlotte Grace Mandeville of Quincy
 6. Dexter John Tebo of Weston and Winifred Marion Grant of Belmont
 12. Floyd B. German of Hancock, N. Y. and Jean Blanche Boroski of Weston
 19. Charles Fayette Taylor, Jr., of Weston and Lucille Mildred Pomeroy of Hartford, Conn.
 23. John Bryant Paine, Jr., of Weston and Henrietta Rutgers Crosby Nash of Warrenton, Virginia
 26. John Francis McGann of Allston and Lena Rivers Carter of Weston
 29. Finn Christian Ferner of Norway and Charlotte Donald of Weston
 30. Thomas Wolcott Little, Jr., of Belmont and Helen Woodbridge Whiting of Weston
 31. George Knowlton Lewis of Wayland and Shirley Peakes of Weston

		\$317.75

BRENTON H. DICKSON, Jr.,
Town Clerk.

REPORT OF THE SUPERINTENDENT OF STREETS

To the Board of Selectmen:

I respectfully submit my sixth annual report as Superintendent of Streets. Itemized expenditures for maintenance of highways for 1942 are as follows:

Salaries and Wages	\$15,349.96
Broken stone, sand and gravel	1,552.72
Bituminous materials	4,719.05
Lumber, pipe, cement, etc.	1,296.10
Gasoline and oil	1,182.00
Fuel and electricity	245.91
Small equipment and repairs	1,874.90
General expense	133.56
Snow and Ice	2,756.10
All others	1,020.00
Public dumps	1,262.55
	<hr/>
	\$31,401.85

It is not necessary for me to elaborate on the fact that the war has brought about many changes in highway work as well as civilian life. Municipal departments are subject to rationing the same as any private enterprise and the same rules and regulations apply. Certain materials used in road work are either very hard to get or unobtainable such as asphalt, a very vital road material. Since asphalt could not be obtained tar was used instead of which there was a reasonable supply. We were allotted, by certificate from the Federal Government, approximately forty-three thousand gallons for surface treatment and patching purposes. With this amount of tar between ten and eleven miles of our roads or about twenty-five percent of our total mileage, excluding Chapter 90 roads, were surface-treated and honed. If we are fortunate enough to receive a comparative amount each year for the duration, I feel that it will be possible to keep our roads from deteriorating to such an extent that they cannot be repaired.

Very little important drainage work has been done this year on our highways due mainly to the scarcity of labor and the press of more important work such as the installation of the new drainage and sewerage system at the Town Hall which consumed the better part of three months. All the work done except the actual plumbing was done with highway labor but was paid for out of the Town Hall appropriation. This transfer of labor costs from the Highway Department to the Town Hall was responsible for the surplus in one and the deficit in the other.

We shall be forced in 1943 to concentrate our efforts mainly upon the careful preservation and conservation of what labor, materials and equipment we now are fortunate enough to possess. In effect this simply means that extra services and requests by residents, unless of an emergency nature, cannot be granted for the duration or until the return of normal conditions.

Chapter 90 Maintenance

Little Chapter 90 work was done this year as compared to other years mainly for the reasons that time, labor and materials were not available. In 1943 we hope to be able to renew some of the guard rail on South Avenue and surface treat a small portion of both North and South Avenues but everything depends on whether sufficient labor and materials can be obtained.

Sidewalks

Most of the appropriation for sidewalks was returned this year not because it was not needed but because bituminous material for sidewalks was not available. We did, however, give all the gravel sidewalks a thorough cleaning and regrading followed by a heavy coating of stone dust and pea stone of which there was an abundant supply. My recommendation for 1943 is only sufficient to repair existing walks but I hope that when the war is over we will be in a position to build some new ones and to rebuild many of the old sidewalks which are now so badly cracked that they are a danger in some respects to persons walking with high-heeled shoes.

Machinery

No appropriation for new equipment was requested in 1942 and the same is true of 1943 as it was and probably will be impossible to purchase any for the duration. This means, of course, that what equipment we now have must be kept in working order by being constantly repaired until it can be replaced when the manufacturing of equipment for civilian use is resumed after the war. The annual cost for repairs will gradually increase as the equipment becomes older. Parts are becoming increasingly difficult to obtain even now and so the outlook insofar as the maintenance and repair of our equipment is concerned is not too encouraging.

Snow and Ice

Snow removal costs in 1942 were on the whole about average.

We did not have any very serious storms but ice conditions I think were worse than usual.

Sanding icy roads is very expensive work not only from the standpoint of spreading the sand but because it all has to be picked up again.

Many thousands of dollars could be saved annually and many accidents averted throughout the country if drivers of motor vehicles would

allow a little more time and drive a little more carefully during these emergencies which a great many times last only a few hours or in some cases only a few minutes.

It is definitely impossible for this department with our limited labor and equipment to adequately cope with sudden ice storms. The long distances that we have to travel, because of zoning laws which prohibit sand and gravel pits in our town, consume so much time that the emergency may be partly over before we can really get started. It would be possible to stock pile sand in convenient locations providing either machinery or extra labor were available for reloading, but since we have neither the labor nor machinery nothing would be gained by doing it. Our present sources of supply are located at Newton Lower Falls, Wayland and Framingham.

Recommendations

My recommendations for 1943 are as follows:

General Maintenance	\$36,800
Public Dumps	1,400
Sidewalks	500
Chapter 90 Maintenance	1,000

I wish to again express my appreciation to the various town officials and my fellow workers for their loyal support during the past year.

GILBERT M. UPHAM,

Superintendent of Streets.

REPORT OF POLICE DEPARTMENT

To the Board of Selectmen:

Following is the report of the Police Department for the year ending December 31, 1942:

Arrests Made:	Male	Female
Assault with intent to rape	1	
Automobile law violations	3	
Breaking, entering and larceny	4	
Breaking street lights	3	
Drunk	5	1
Disturbance	3	
False alarm	2	
Insane	2	2
Larceny	4	
Malicious mischief	3	
Non-support	2	
Operating to endanger	1	1
Operating under influence	1	
Runaway children	2	
Vagrancy	2	
Total	38	4

Disposition of Cases:

Fined	9	1
Held for Grand Jury	1	
Not guilty	1	
Placed on file	1	
Psychopathic		1
Probation	4	
Released	5	1
Sentenced to House of Correction	1	
Suspended sentence	3	
Turned over to outside police	7	1
Turned over to parents	5	
Westboro	1	
Total	38	4

Males 38

Females 4

Disposition of cases in Superior Court:

Larceny	Filed
Automobile Violation	Fined
Abandoned cars	2
Ambulance calls	10
Accidents	23
Automobile fatalities—Deaths	2
Buildings broken into	5
Complaints and investigations	317
Complaints about dogs	112
Cats killed	29
Dogs killed	10
Empty houses watched	78
Summonses served	77
Summonses returned without service	6
Violent deaths	2
Value of property stolen	\$358
Value of property recovered	\$62

The activity of the Police Department has shown a marked decrease in the past year. Automobile traffic has been cut at least fifty per cent on week days and eighty or ninety per cent on Sundays due to the gasoline and rubber shortage and the ban on pleasure driving.

The auxiliary police force, under the direction of Clarence Hughes, has undergone several changes in personnel. Many of its members have joined the armed forces, some have gone to other parts of the country to work and some have resigned to join the newly formed State Home Guard. However, the addition of new members has kept the force up to practically full membership. They have had numerous meetings, drills, classes and lectures and are ready to serve the town whenever called.

No new equipment such as cars or motorcycles could be purchased last year and although it may be possible to make our present rolling stock last throughout the coming year, after that time it should be replaced if the O.P.A. approves.

The slight increase in this department's appropriation provides for salary increases granted the officers during the past year.

J. SUMNER VILES,

Chief of Police.

REPORT OF THE BOARD OF FIRE ENGINEERS

To the Board of Selectmen:

During the past year the department responded to 42 still alarms and 58 bell alarms as follows:—

- Jan. 6. Box 68 at 1.30 A. M., house of R. White, Woodland Road.
- Jan. 7. Box 67 at 1.15 P. M., house of P. O'Toole, North Avenue.
- Jan. 7. Still alarm at 12.00 A.M., automobile of O. C. Konicki, Webster, Mass.
- Jan. 12. Box 29 at 8.20 A. M., call from Wayland.
- Jan. 14. Still alarm at 9.55 A. M., automobile of Mrs. B. Malloy, Merriam Street.
- Jan. 25. Box 52 at 5.45 P. M., house of R. B. Elwell, Ripley Lane.
- Jan. 26. Still alarm at 11.15 A. M., brushland of R. R. burning.
- Jan. 31. Box 371 at 2.10 A. M., false alarm.

- Feb. 13. Still alarm at 4.45 P. M., chimney of E. Desmond, Newton Street.
- Feb. 14. Still alarm at 1.35 P. M., grassland of Pine Brook Country Club, Newton Street.
- Feb. 26. Still alarm at 1.20 P. M., grassland of J. B. Paine, Est., Warren Avenue.
- Feb. 26. Box 18 at 1.45 P. M., grassland of O. A. Steele, Loring Road.
- Feb. 27. Box 17 at 3.10 P. M., grassland at Intervale Road.

- Mar. 2. Still alarm at 9.20 P. M., chimney of C. L. Crehan, Lexington Street.
- Mar. 10. Still alarm at 8.30 A. M., chimney of Mr. Cooke, Gem Road.
- Mar. 22. Box 17 at 4.50 P. M., brushland of B. & A. R. R.
- Mar. 25. Box 69 at 12.35 P. M., automobile of A. D. G. Fuller, Lantern Lane.
- Mar. 25. Box 25 at 2.10 P. M., needless.
- Mar. 27. Box 38 at 3.00 P. M., dump on South Avenue.
- Mar. 28. Box 76 at 1.10 P. M., brushland of Mass. Broken Stone Co. and Garden City Gravel Corp.
- Mar. 28. Box 76 at 5.15 P. M., brushland of Garden City Gravel Corp.
- Mar. 29. Box 35 at 11.30 A. M., brushland of J. Hanney, Ash Street.
- Mar. 29. Still alarm at 12.00 A. M., brushland of F. Cutler, Sunset Road.
- Mar. 29. Still alarm at 4.40 P. M., grassland of J. McLaughlin, Boston Post Road.

- Apr. 1. Box 19 at 1.50 P. M., grassland of G. M. Stratton, Loring Road.
- Apr. 2. Box 78 at 11.30 A. M., grassland of S. L. Proctor, Lexington Street.
- Apr. 2. Box 64 at 1.20 P. M., brushland of H. Shaw, Westland Road.

The portable lighting plant which was purchased this year has been tried out and found satisfactory. Fourteen hundred feet of 2½" hose and four hundred feet of 1½" hose were purchased during the year.

We wish to thank the Auxiliary Firemen for their valuable assistance at the fire on May 2.

An appropriation of \$12,500 for general maintenance is recommended for the coming year.

FRANKLIN C. MULOOCK

REPORT OF THE CEMETERY COMMISSION

Interments	27
Non-resident	10
Residents	17

Receipts:

Sale of lots	\$500.00
Perpetual care	1,702.00
Care of lots	359.00
Interments	445.00
Sale of Grave liners	215.00
Sale of wood, flowers, etc.	33.42
Foundations	127.50
Telephone tolls	.92
Interest on Perpetual Care Fund	1,176.57

\$4,559.41

On August 18 we experienced a very great loss in the death of J. Lawson Foote. In December 1930 Lawson Foote first became associated with the Cemetery Department in the capacity of Acting Superintendent. In the succeeding four months he effected a much need reorganization. Upon the completion of this work, in which he rendered outstanding service, he resigned his position and was subsequently elected a Cemetery Commissioner. He had served as a commissioner ever since and had continued to give a great deal of time to the affairs of the cemetery.

On Sept. 24 Edmund V. Mezitt was appointed to serve in Mr. Foote's place.

Otherwise there is very little to report, as no new development was undertaken. Expenditures during the year totaled \$6,520.71, while the appropriation of \$5,760.00 plus the income from the Perpetual Care Fund came to about \$6,922.00. Thus, about \$415 of the appropriation was not expended.

An appropriation of \$5,486 has been requested for the year 1943.

EDMUND V. MEZITT

WALTER W. WELD

C. E. MEAD

Cemetery Commissioners.

REPORT OF THE PARK COMMISSIONERS

It is with the deepest sorrow that we have to report the death of Mr. Austin B. Mason on February 5, 1941. He was our secretary and had been a member of the Board since 1930. In spite of his long sickness, he was keenly interested in our activities to the last and we have lost not only a friend but, also, an outstanding citizen.

The very favorable growing season caused a substantial increase in the cost of mowing the Common which is paid from the Sears Town Common Fund.

Maintenance of the other lots varies little from year to year and we have kept well within our appropriation.

We recommend an appropriation of \$100 for 1943.

BENJAMIN S. BLAKE

CHARLES E. MEAD

JOHN G. WRIGHT

Park Commissioners.

WESTON HISTORICAL COMMITTEE

To the Board of Selectmen:

At the annual meeting of this committee the following gifts were reported to have been received during the year:

From the Town of Weston:

Photograph of Isaac Brackett (framed)

Assessors notice, 1777 (framed)

Letter to General Court, 1893 (framed)

From B. H. Dickson, Jr.:

Order of Exercises at Dedication of Meeting House, 1840 (framed)

From Miss Kelsey:

Programs.

From Edward Fiske Estate:

Photograph of Will of Nathan Fiske, 1776.

From H. B. Willis, Jr.:

Two dollar note issued by the "State of Massachusetts Bay," 1780.

We have also received some old books and papers of interest, and hope for more additions to our collection this coming year.

GERTRUDE FISKE

ALICE E. JONES

EDWARD P. RIPLEY

Historical Committee.

REPORT OF THE PLANNING BOARD FOR THE CALENDAR YEAR 1942

This is the final report of the Planning Board prior to its change in accordance with the action taken at the special town meeting held December 17, 1942, at which time the provisions of section 81A of chapter 41 of the General Laws as amended were adopted.

During the year 1942 attention was given to the matter of further laying out of roads and the establishing of proper width and boundaries for them. The Planning Board met with other representatives of the town and with representatives of the County Commissioners of Middlesex County. As a result surveys were made and hearings held with respect to the proposed boundaries and locations of Bogle Street, Wellesley Street, North Avenue and Merriam Street.

With the adoption of the additional statutes enlarging the duties of the Board and providing for further town planning it is anticipated that the general character of the town will be maintained and that the future growth of the town and the development of its resources will continue. In connection with such development and based on the observation of and reports from residential areas in which high speed roads have been established within recent years, the Board is of the opinion that legislative action authorizing the establishment of the primary arterial highways with limited access will add to the safety of local and through traffic when the normal flow of automobile traffic is resumed.

REPORT OF THE BOARD OF WATER COMMISSIONERS

Due to war conditions building operations in Weston are practically at a standstill and, barring unforeseen circumstances, the Water Commissioners see but little demand for new water installations for the duration.

Both the abundance of the recently developed water supply which has been acquired adjacent to the Charles River and the pumping facilities at the site, which were completed during the early part of the year, have satisfactorily fulfilled expectations and have proven their value.

Because of heavy rainfall, the consumption of water has been considerably less than in prior years of comparative dryness. This has resulted in a reduction of gross income.

After much study of the condition of the concrete standpipe on Paine's Hill, coupled with the difficulty of obtaining the necessary steel and other material for the work, it was decided to postpone the repairs for the present. The steel standpipe on Doublet Hill was painted as requested in last year's report.

During the year, five new services and six hydrants have been installed.

Much credit is due the Collector, Mrs. Helen E. Cutting, for the good financial showing of this department.

On July 27, 1942, on account of continued ill health, the resignation of Mr. Abel J. Colpitts as a Water Commissioner was received and accepted. Mr. Colpitts had been a valued member of the Board since 1926, his advice and experience being of great service to the Board. His son, Mr. Harold B. Colpitts, was chosen to fill this vacancy.

On October 26, 1942, the Board also received and accepted the resignation of Mr. Archibald G. Monks, Mr. Monks having accepted a position with the Boston Ordnance District of the United States War Department. Mr. Monks had been a member of the Board since 1928, bringing to the Board his long experience as a construction engineer. Mr. Oscar A. Schlaikjer was chosen to fill this vacancy.

EDWARD P. RIPLEY

HAROLD B. COLPITTS

O. A. SCHLAIKJER

Board of Water Commissioners.

REPORT OF THE SWIMMING POOL COMMITTEE

To the Board of Selectmen:

The Swimming Pool Committee submits the following report for the year 1942.

The season passed smoothly and uneventfully. With exception of a change of personnel, and an ever-increasing vigilance in regard to sanitation, the old swimming-tank functions for the present generation very much as it did for many of their fathers and mothers.

Now that the armed forces are taking so many of our young men, we consider it most fortunate that Mr. Proctor, the school athletic instructor, was available for the summer, and we were very glad to have him become our swimming instructor for the season.

It seems probable that Weston will always require a swimming tank, as natural or artificial ponds involve too serious a problem of drainage. Our present tank is much too small for the demands made upon it. The cost of a new, up-to-date tank would be considerable, but we hope that sometime enough interest will be aroused to solve the ways of meeting that expense.

In the pamphlet "A Proposed Plan for the Town of Weston," which was issued from the office of the Selectmen, and distributed about the town last October, we note with interest a suggestion for the formation of a Recreation Commission to have supervision of all recreation facilities of the town. It seems an excellent suggestion, and the logical way to get the most out of what we have, and to plan for future improvement.

We have requested that \$1150 be appropriated for the year 1943.

Mr. Proctor's report follows.

EUNICE C. BASSETT
WESTON BLAKE
CARL T. RHOADES

To the Swimming Pool Committee:

The Weston Swimming Pool was open from June 30 to September 1, a total of ten weeks.

The total attendance was three thousand seven hundred seventy-eight, two thousand twenty-nine girls and one thousand seven hundred forty-nine boys; the majority of these were from seven to ten years of age. I believe the attendance would have been much larger had times and conditions been normal. The decline in the boys' attendance was due to the shortage of labor. Very few boys over twelve years of age were not working.

There were twelve days of rain when the pool remained open as usual, but I would suggest that in the future the pool be closed on rainy and cold days and the children be furnished with some other form of recreation on such occasions.

The records show very little adult attendance on the two evenings a week the pool was open. The average figures were five women per Wednesday night and less than one man per Saturday night. These statistics do not warrant keeping the pool open evenings, but if the Committee deems it desirable to do so, some night other than Saturday might be more satisfactory, especially for the young men, as it would not interfere with social engagements.

Thirty-four girls and seventeen boys passed the Red Cross Beginners' Test and all but a few of these were taught to swim early in the summer. Many more learned to swim but were absent on the day of the examination.

I suggest that larger drains be placed in the floor as the present ones are much too small and are not in the right positions for proper drainage. The present method of water disposal is to sweep it up to and out the door which is very unsatisfactory. There are still a few branches that overhang the pool and on windy days leaves and other foreign matter fall in the water. Also, when conditions are more favorable, it would improve facilities a great deal if the coal stove now used for heating the water for the showers were replaced by an instantaneous gas heater.

The problem of chlorination will be serious for the duration, and the use of chlorinated lime to replace the H. T. H. Compound is unsatisfactory as large amounts are needed, and the amount of available chlorine is negligible. Tests showed that the supply had to be replenished often, especially when the temperature of the water rose above sixty-five degrees.

We were very fortunate to have Mrs. Roy Moody with us at the pool, for her efficiency and understanding of children made it very enjoyable for all associated with her. I should like to express my thanks to Mrs. Moody and to Alfred Gillette and Bill Place for their able assistance.

JOHN S. PROCTOR

REPORT OF THE TREE WARDEN

There is little to add to last year's report. Age, high winds and storms take their toll of trees each year and the resulting damage must be repaired as well as possible.

Last year I called attention to the appearance of the Dutch Elm disease in Massachusetts and I wish to emphasize it more strongly now, as during the summer of 1942 the disease was found in three more Massachusetts towns. Owners of elm trees noting any unusual conditions are urged to notify me at once.

To continue this work I recommend the same appropriation as last year, namely, \$1000.

Respectfully submitted,

EDWARD P. RIPLEY

Tree Warden.

REPORT OF THE MOTH SUPERINTENDENT

To the Board of Selectmen:

In the winter and spring of 1942 creosoting continued until the egg clusters of the gypsy moth began to hatch. This was at least two weeks earlier than usual as we had a very early spring. Indications at that time pointed to many caterpillars and serious defoliation. However, the early spring also brought heavy foliage which in turn meant an earlier and longer spraying season. Spraying was very effective and as a result the foliage in general was unusually heavy and trees in only a few locations showed any damage.

In 1942 \$4000 was appropriated for this work and to provide the same control an equal amount will be required this year.

EDWARD P. RIPLEY,

Moth Superintendent.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

To the Board of Selectmen:

Following is the report of the Sealer of Weights and Measures for the year ending December 31, 1942:

Scales:	Ad-justed	Sealed	Non-Sealed	Con-demned
Platform, over 10,000 pounds	1	3		
Platform, 100 to 5,000 pounds	1	8		
Counter, over 100 pounds		2		
Counter, under 100 pounds		4		
Spring, over 100 pounds		1		
Spring, under 100 pounds		12		
Computing, under 100 pounds		7		
Personal Weighing		1		
Prescription		1		
Weights:				
Avoirdupois		9		
Apothecary		9		
Volumetric Measures:				
Liquid Measures		15		
Automatic Liquid-Measuring Devices:				
Gasoline Pumps		17		
Kerosene Pumps	1	2		
Grease Measuring Devices		8		
Stops on oil pumps		3		

Fees amounting to \$25.57 were collected and turned over to the Town Treasurer.

I recommend an appropriation of \$100 for the coming year.

J. SUMNER VILES,

Sealer of Weights and Measures.

REPORT OF THE INSPECTOR OF BUILDINGS

To the Board of Selectmen:

The Inspector of Buildings submits the following report for the year 1942.

During the year twenty-two permits were issued, of which one was for a new dwelling. Fees collected amounted to \$32.00, which have been paid to the Town Treasurer.

Estimated value of new building	\$7,000.00
Estimated value of additions and alterations	8,747.00
All others	3,010.00
	<hr/>
	\$18,757.00

FRANKLIN C. MULLOCK,

Inspector of Buildings.

REPORT OF THE INSPECTOR OF WIRES

To the Board of Selectmen:

The Inspector of Wires submits the following report for the year ending December 31, 1942:

Number of permits issued	49
Fees collected	\$24.50

All fees collected have been paid to the Town Treasurer.

FRANKLIN C. MULLOCK,

Inspector of Wires.

TOWN OF WESTON

RECORDS, 1942

TOWN RECORDS — 1942

Condensed

ANNUAL TOWN MEETING, MARCH 30, 1942

Article 1. To bring in their votes for the following town officers, each to be designated and all to be voted for on one ballot, namely:

A moderator for a term of one year,
 One selectman for a term of three years,
 One member of the board of public welfare for a term of three years,
 One assessor for a term of three years,
 One member of the school committee for a term of three years,
 A treasurer and collector for a term of one year,
 An auditor for a term of one year,
 One library trustee for a term of three years,
 One trustee of the Merriam Fund for the Silent Poor for a term of three years,
 One park commissioner for a term of three years,
 One park commissioner for a term of one year, to fill vacancy,
 One cemetery commissioner for a term of three years,
 One member of the board of health for a term of three years,
 Three measurers of lumber for terms of one year,
 One member of the board of commissioners of trust funds for a term of three years,
 One member of the board of water commissioners for a term of three years,
 Five members of the planning board for terms of one year,
 A tree warden for a term of one year.

Pursuant to said warrant the meeting was called to order in the lower town hall by Dudley P. Ranney, Moderator. The polls were opened at 12 o'clock noon and were closed at 7:50 o'clock p. m. Two hundred sixteen ballots were cast. The results of the election were as follows:

The business meeting was called to order in the upper town hall at 8:00 p. m.

Article 2. To hear and act upon reports of town officers and committees.

Voted: That the reports of the town officers and committees as distributed throughout the town be accepted and placed on file subject to any corrections which may be made by this meeting or by the Town Clerk, and that the Town Clerk is hereby directed to make such corrections to such copies of the report as may be deposited in the archives of the town and the Public Library.

Voted: That Article 13 be now taken up in connection with Article 2 and that the reports of the town officers and committees be considered separately in the order in which they are printed to the end that the town may take such action thereon as may be deemed best.

Mr. Young Moved: That the amounts recommended by the Selectmen for appropriation by the Town, in accordance with Section 5 of the By-laws of the Town, as set forth on pages 30 to 39 of the town report for the current year and amounting in the aggregate to \$283,735.00 be and they hereby are appropriated for the specific purposes and in the specific amounts set forth in said recommendations.

Mr. J. Gilbert Peirce Moved: That the items for each department be taken up separately. This motion was defeated by a rising vote of 127 in the affirmative and 163 in the negative.

Mr. Young amended his original motion by moving that the words "Instruction in Swimming" on Page 36 be changed to read "Swimming Pool."

Mr. Young's motion as amended was unanimously passed by the Town, the budget being voted as follows:

		<hr/>
		\$291,235.00

Voted: That all money refunded for the current year to the town by the treasurer of Middlesex County under the provisions of law relating to dog licenses may be expended for the support of the Town Library in such manner as the trustees of said Library shall determine.

Voted: That five persons be appointed by the Moderator to serve as a Memorial Day Committee with the authority to expend upon the observance of said day the sum of money already appropriated for that purpose.

Voted: That of the money already appropriated a sum not exceeding \$60,000 be taken from any money in the treasury not otherwise appropriated, provided, however, that this vote apply only to money in the treasury as of the date when the tax rate for 1942 is fixed.

Voted: That the money appropriated at this annual town meeting, not otherwise provided for, be assessed, after deducting the estimate of receipts for the ensuing year, upon the polls and estates taxable in this town and be collected as the town charges are usually assessed and collected as provided by law.

Voted: That the town treasurer, with the approval of the selectmen, be and hereby is authorized to borrow from time to time in anticipation of the revenue of the financial year beginning January 1, 1942, to an amount not exceeding in the aggregate of \$150,000 and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year.

Article 3. To determine whether the Town will vote to authorize the auditor to transfer to the general purposes of the bond issue of \$55,000 for new water supply and pumping station near Riverside Road the unexpended balance of the sum of \$6,000 specifically allocated to land takings in connection with said new water supply in accordance with vote adopted at the annual Town Meeting in 1941.

Voted: That the auditor transfer to the general purposes of the bond issue of \$55,000 for new water supply and pumping station near Riverside Road the unexpended balance of the sum of \$6,000 specifically allocated to land takings in connection with said new water supply in accordance with vote adopted at the annual Town Meeting in 1941.

Article 4. To determine whether the town will vote to transfer from the overlay reserve fund to the reserve fund of the town the sum of \$7,500 or such other sum as the town may deem proper in the premises.

Voted: That there be transferred from the Overlay Reserve Fund to the Reserve Fund the sum of \$7,500.

Article 5. To determine whether the town will accept as a public town way Irving Road which is at the present time a private way running from the Boston Post Road to a point on Highland Street being approximately 650 feet long and having a uniform width of 40 feet, the same having been laid out as a town way by the Selectmen at a meeting held June 23, 1930.

Mr. Alan Winsor Moved: That the town accept as a public town way Irving Road which is at the present time a private way running from the Boston Post Road to a point on Highland Street being approximately 650 feet long and having a uniform width of 40 feet, the same having been laid out as a town way by the Selectmen at a meeting held June 23, 1930.

Mr. Gilbert M. Upham Moved as an amendment: That the sum of \$1,500 be appropriated for construction of Irving Road. This motion was defeated by an aye and nay vote.

Mr. Winsor's original motion was defeated by an aye and nay vote.

Article 6. To determine whether the town will vote to authorize the Selectmen to sell at public auction or private sale, and in case the property is to be sold at public auction, after first giving notice of the time and place of such sale at public auction by posting such notice of sale in some convenient and public place in the town fourteen days at least before the sale, property taken or which may be taken by the town under tax title procedure provided the Selectmen or whomsoever they may authorize to hold said public auction, may reject any bids which they deem inadequate, or take any action relative thereto.

Voted: That the Selectmen be, and they hereby are, authorized to sell at public auction or private sale and, in case the property is to be sold at public auction, after first giving notice of the time and place

of such sale by posting due and lawful notice of sale in the Town House fourteen days at least before the sale property acquired, or which may be acquired hereafter by the town under tax title procedure, provided that the Selectmen, or whomever they may authorize or employ to hold said public auction, may reject any bids which the Selectmen deem inadequate.

Article 7. It was unanimously voted that this article be placed at the end of the warrant.

Article 8. To determine whether the Town will authorize the abandonment in whole or in part of certain easements owned by it in substance for the laying, maintenance and replacement of mains and pipes for the passage of water in certain lands between Boston Post Road and Crescent Street and between Crescent Street and land of Boston & Maine Railroad; and will authorize the acquisition in behalf of the town without charge (other than such abandonment) of substitute easements of similar character in the same and/or adjacent lands.

Voted: That the selectmen and water commissioners are hereby authorized, upon receiving conveyances to the town of the substitute easements hereinafter mentioned, and in consideration of such conveyances and without requiring any monetary payment to the town, to release and abandon in whole or in part the following easements owned by the town in substance for the laying, maintenance and replacement of mains and pipes for the passage of water, namely, an easement acquired in a 20-foot strip of land between Crescent Street and land of the Boston & Maine Railroad by an order of taking of the selectmen and water commissioners dated August 5, 1929, and an easement acquired in a 20-foot strip of land between Crescent Street and Boston Post Road by a deed of the trustees under the will of George S. Perry dated September 11, 1929, and a confirmatory deed of David A. Perry and others dated February 13, 1932; and the selectmen and water commissioners are further authorized to accept conveyances made to the town without charge (other than such releases and abandonments), of such substitute easements of similar character in the same and/or adjacent lands as they shall think suitable.

This vote was passed unanimously.

Moved and unanimously voted: That Article 11 be taken up prior to Articles 9 and 10.

Article 11. To see if the Town will authorize and instruct the Selectmen and Water Commission or either, to grant such permission and do all things that may be necessary to enable the residents of Glen Road to obtain water for their domestic consumption from the Town of Wellesley by gift, grant, contract or otherwise; all of the foregoing to be done at the sole expense of the residents of Glen Road, or take any action in relation thereto.

Voted: That the Town authorize and instruct the Selectmen and Water Commission to grant such permission and do all things that may be necessary to enable the residents of Glen Road to obtain water for their domestic consumption from the Town of Wellesley by gift, grant, contract or otherwise; all of the foregoing to be done at the sole expense of the residents of Glen Road.

This was passed by an aye and nay vote.

Article 9. To see if the Town will raise and appropriate the sum of \$15,000 for the purpose of extending the water main on Oak Street from its present terminal to the junction of Glen Road and thence down Glen Road to the Wellesley-Weston line, or take any action in relation thereto.

Voted: That this article be passed over and so disposed of.

Article 10. To see if the Town will vote to authorize the Water Commission to acquire by eminent domain proceedings or otherwise the present six-inch water main laying in Glen Road, the hydrants, gates, valves and meters attached or appertaining thereto, and authorize the Water Commission to arrange by contract or otherwise with the proper department of the Town of Wellesley to obtain water from the Town of Wellesley and furnish the water so obtained to those residents of Glen Road and Pembroke Road so desiring such water service upon the same terms and conditions as the Water Commission now furnishes water to its subscribers or take any action in relation thereto.

Voted: That this article be passed over and so disposed of.

Article 12. To determine what action the Town will take with regard to pay increases for certain town employees or to act anything relative thereto.

Voted: That this article be passed over and so disposed of.

Article 13. To raise and appropriate by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, or as may be required to defray the expenses of the town for the ensuing year; and especially to act upon all the appropriations asked for or proposed by the Selectmen or by the town officers or committees in their reports; and to authorize the town treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1942, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with G. L. (Ter. Ed.) c 44 Sec. 17 as amended.

Article 13 had been previously taken up with *Article 2*.

Article 7. To determine whether the town will request the Selectmen to appoint a committee of five with authority to spend not more than \$500 to study the records of the town from 1901 to date and de-

termine what, if any, standing votes should be left in full force and effect, and what should be repealed as no longer necessary for the conduct of town affairs in view of present statutes of the Commonwealth and the town by-laws, and also to confer with other departments relative to any and all rules or regulations adopted by them since 1901, and with such departments to decide whether such rules or regulations, or any of them, should be kept in effect, or what amendments should be made and adopted either by such departments or by the town, and to report their conclusions and recommendations at the next annual Town Meeting.

Voted: That the Selectmen are hereby requested to appoint a committee of five citizens of the Town to consider the subject matter of Town by-laws, acceptance of statutes of the Commonwealth, standing votes and departmental rules and regulations, to confer with Town officers and committees, to examine the Town Records and Reports from 1900 to date and to report to the Town at or before its next annual Town Meeting, their recommendations as to any changes or amendments to by-laws, votes, rules or regulations which the Committee believes to be advisable and what statutes, now in effect, should be accepted by the Town and said Committee to have authority to expend a sum not exceeding five hundred dollars for printing and other incidental expense.

The following resolution was offered and unanimously adopted:

Resolved: The citizens of Weston assembled in Town Meeting desire to record their deep sorrow and sense of loss at the death of George W. Cutting, Jr., on February 4, 1942, and their appreciation of his service to the town.

A member of an old family of the town noted for service to it, he also served it with devotion and distinction in several capacities. For twenty years before his death he discharged the exacting duties of Town Treasurer and Tax Collector, and also served for many years as Library Treasurer, Treasurer of the Merriam Fund for the Silent Poor and Town Collector. His helpfulness in problems of the administration of the town and his kindly personality will be long remembered by the town officers and all his many other friends.

Further Resolved: That this resolution be spread upon the records of the Town and that the Town Clerk be instructed to send a copy to Mr. Cutting's family.

The meeting was dissolved at 10:45 p.m.

STATE PRIMARIES, SEPTEMBER 15, 1942

Pursuant to a warrant duly served the State Primaries were held September 15, 1942. The polls were open from 2 o'clock p.m. to 8 o'clock p.m. 418 ballots were cast of which 384 were Republican and 34 Democratic. The results of the Primaries were as follows:

SPECIAL TOWN MEETING, DECEMBER 17, 1942

Pursuant to a warrant duly served a special town meeting was held on December 17, 1942, at 8:00 o'clock p. m.

Mr. B. Loring Young made the following introductory remarks:
Mr. Moderator,

The usual rule of parliamentary procedure requires that some motion be made or report submitted before a member may address the meeting.

But this rule may be relaxed when the Moderator is of opinion that introductory remarks will tend to clarify the purpose of the meeting and so expedite the transaction of business. The warrant for this special meeting contains fourteen articles. Why was it necessary, Mr. Moderator, to call together the people of Weston in the cold of winter, during this busy Christmas season and at a time when so many of our citizens are engaged in the prosecution of the war? The answer is that many of the matters coming before this meeting must be settled during the present year so that the benefits which may follow affirmative action can become effective before the first day of January 1943.

During September of this year there was drafted in the Selectmen's room a memorandum entitled "A Proposed Plan for the Town of Weston." One thousand copies dated October 1st were sent by mail to the various homes in Weston. We did not send one to every voter because that would have required fifteen hundred additional copies. We thought it best to avoid waste of paper and to save expense. Our purpose was to stimulate public interest and to promote study and discussion of certain problems of town government. We believe that this purpose has been achieved, that the several proposals have been thoroughly studied and that the voters have come to this meeting well-informed and ready for debate and decision. It is no secret that these several proposals represent my own considered judgment. But they are not a one-man job. To my colleagues on the Board of Selectmen and in other town offices and to the members of the Finance Committee I express my thanks for valuable suggestions and constant help and advice. My life-long friend Mr. Dickson, who has served the Town so faithfully in many different capacities since his first election to the Board of Health in the year 1892—fifty years ago—and whom we all hope will continue to serve the Town for many years to come, approved the very first draft of the plan. And my friend Mr. Tyler, Chairman of the Board, is here to speak for himself.

Perhaps I should say a brief personal word. To me these proposals are not strange or novel. Some have been on the statute books of Massachusetts for many years. All have been adopted by various cities and towns large and small. Many are of almost universal application throughout the Commonwealth. Through the kindness of the people of Weston I have been given an exceptional opportunity in the study and practice of government. I was first elected a Selectman of this Town in March 1910 and with the exception of two years when I was fully occupied at the State House I have served as Selectman ever since. That makes more than thirty years, a long period in the life of a man and a pretty long period in the life of a town. Whether better administration comes from long tenure of service or from more general rotation in office is a question on which I express no opinion; I hazard no guess. There are good arguments on both sides of the question. Whether my service is to continue after next March is not today known, either to you Mr. Moderator or to me. But I can say this—that I would feel neglectful of my duty to the people of this Town, to whom I owe so much, if I

did not frankly and unequivocally state my own opinion—based on study, experience and reflection—that the proposals offered to this meeting will give better results in our town government, will bring greater protection to the men and women who carry on the hard work of the Town, and will promote the welfare and satisfaction of our people. Towns, like men, go forward or go back; they don't stand still. They may seem to be standing still, but this does not prevent others, more inventive and eager, from pushing them by and leaving them in the background. Weston should not stand still, should not stay in a rut, however comfortable, complacent and self-satisfied we may be. Weston should be prepared for growth and change. We may not like the prospect, but we cannot help it. This town must prepare for the future. We can and should have the best budget, the most satisfactory building and zoning laws, the most loyal and efficient officers and employees, the best Town government to be found in Massachusetts. We must build our home, not for ourselves alone but for our children and our children's children in years and in centuries to come. It is because of these things, because we can in part prepare today to meet the problems of tomorrow, that this meeting is now being held.

I shall make no personal appeal on any matter in this warrant. If these recommendations are all rejected, I shall be disappointed but not cast down. The people decide these things; not one man. They can follow the lead if they see fit or they can say with good reason "Let well enough alone. Why make any changes in time of war?"

Each of the proposals in the warrant speaks for itself. Each stands on its own feet. Each should be thoroughly understood before it is put to a vote. Wherever substantial cost is involved, the proposal should be postponed until an adequate study can be made.

There is here no hidden plan to deprive the voter of his rights or to transfer to the control of the State the duties of local government. That would be foreign to our tradition. Weston is not one of the oldest towns in Massachusetts. Our incorporation dates from 1712-13. But as freemen of Watertown (Weston was the West or Farmers' Precinct) our forefathers took part in the very foundation of local self-government on the continent of North America. Our mother town was given no charter or patent by royal or colonial grant. Watertown was a going concern when the General Court of the Massachusetts Bay Colony was first convened in 1630. That Court did not create or authorize the creation of Watertown. On September 7, 1630, the Court passed an order "that Tri-mountain shall be called Boston, Mattapan, Dorchester, and the Town upon the Charles River, Watertown." These first towns of Massachusetts were not begotten by the Crown, the Parliament, or the Colony. They sprang into being from that genius for local self-government which has ever been a characteristic of those who speak the tongue of Shakespeare and of Milton, whose heritage and tradition are the Great Charter and the English common law.

But laws are not self-executing. They must be administered and enforced and in a civilized community they must be uniform and equal.

And the General Court in the Body of Liberties, enacted in 1641, provided by law that

"the freemen of every Towne shall . . . choose yearly . . . a convenient number of fitt men to order the planting or prudential occasions of that Towne . . . provided also the number of such select-persons be not above nine."

Five years later, in 1646, we find the first use by the General Court of the word "Selectman," a new word to meet a new situation, a word not previously found in the language, not used in England and even today restricted in its application to local officers of government in the New England states.

But the Colonial Legislature, or the General Court as we have always called it, soon passed general laws regulating local government, requiring Towns to elect Constables, Selectmen, Clerks, and Highway Surveyors, providing for the appointment of inspectors of trade and business, the levy and collection of taxes and the maintenance of highways and schools. By 1650 town government in Massachusetts was in form what it is today. And the old laws were adopted without change when the Colony became the Province of the Massachusetts Bay under the Province Charter of 1692. The same took place when the Province became the Commonwealth under our present Constitution of 1780. Town government in Massachusetts has thus had an unbroken sweep for three hundred years. But in its substance, local government has changed during these three centuries. Community life in a state with a population of more than four million can hardly be compared with conditions in a new colony with ten or fifteen thousand. The legislature now tells us for what purposes we can appropriate or borrow money, on what subjects we can adopt by-laws, what officers or boards we shall elect, how our caucuses and elections shall be called and held, our taxes imposed and collected, our finances administered. In short, the Legislature has framed and limited the scope of town government and we must not go beyond the boundaries so established. On the other hand the Legislature has offered to us a variety of plans and expedients which we can use or not as we see fit. But if we do take advantage of these new proposals we must comply with the rules the Legislature has laid down. In many instances this is required by law; in others it is imposed by the dictates of common sense. If we want to give our employees the protection of the workmen's compensation act, we must operate under a uniform statute. If we are to provide a proper retirement system for the men and women who have spent their lives in town employ, we must adopt a method prescribed for all cities and towns. If we desire the benefits of town planning and zoning, we must follow the rules laid down by the Commonwealth. But this is no hardship. There is still ample scope for local autonomy and for reasonable diversity and experiment.

And now, Mr. Moderator, let us proceed to the business of the meet-

ing. Let us examine these proposals one by one. Let there be no thought of coercion or intimidation. Let there be no fear or favor. Let us prove to our neighbors and ourselves that our democracy is not a sham or a delusion. Let us show that local problems can be solved promptly and correctly by democratic process. And here in this New England Town Meeting, governed by rules of procedure which we ourselves have made and hallowed by the custom and usage of three centuries, we shall find the purest and most successful form of local democracy ever vouchsafed to mankind.

Article 1. To see if the Town will determine, under authority of Section 69 of Chapter 152 of the General Laws as amended, what officers and employees of the Town shall be included under the words "laborers, workmen and mechanics" so that they may be entitled to the benefits of the workmen's compensation act; to see if the Town will authorize the Selectmen to provide by insurance for the payment of compensation and other costs required by said act; to appropriate money for the cost of such insurance; and to act anything relative thereto.

Voted: That the town, having accepted Chapter 807 of the Acts of 1913 at the annual town meeting held on March 23, 1914, hereby determines that the terms "laborers, workmen and mechanics" as used in Sections 68 to 75, inclusive, of Chapter 152 of the General Laws, as amended, shall include all employees working for the town under any employment or contract of hire regardless of the nature of their work, except members of the police and fire forces, and shall include the superintendent of streets, but shall not include other elected or appointed officers of the town.

Further Voted: That the town clerk is hereby requested to file forthwith with the Department of Industrial Accidents a certified copy of the foregoing vote as evidence of such determination pursuant to Section 69 of said Chapter 152, as amended.

Voted: That, until further action by the town, the selectmen are hereby authorized to provide for the payment of compensation and other costs and expenses required by said Chapter 152, as amended, by procuring workmen's compensation insurance covering the town in any company authorized to write such insurance in Massachusetts; and the sum of \$1000 is hereby appropriated to defray premiums for such insurance.

Article 2. To see if the Town will provide for a study of the advisability of establishing a contributory retirement system for the employees of the Town; to appropriate money to meet the cost of such study; and to act anything relative thereto.

Voted: That a special committee of five voters, at least one of whom shall be a member of the Finance Committee, is hereby established for the purpose of making a study of the contributory retirement system for cities and towns as set forth in Chapter 32 of the General Laws, as amended, and of the advisability of establishing such system

for the employees of the town. The members of said committee shall be appointed by the selectmen and shall serve without compensation but may expend for clerical and other assistants and for necessary expenses sums not exceeding \$500 in the aggregate; and the sum of \$500 is hereby appropriated for that purpose. All other town officers, committees and employees shall furnish to said committee all information requested by it and shall render it all possible assistance. The committee shall submit its conclusions and recommendations in writing to the town as soon as practicable but not later than October 1, 1943.

Article 3. To see if the Town will provide for a study of the classification of personnel and salaries of town officers and employees; to appropriate money to meet the cost of such study; and to act anything relative thereto.

Voted: That a special committee of five voters, at least one of whom shall be a selectman and at least one of whom shall be a member of the Finance Committee, is hereby established to study the classification of personnel and salaries of town officers and employees and other aspects of public employment in the town. Said committee shall be appointed by the selectmen and shall serve without compensation but may expend for clerical and other assistants sums not exceeding \$500 in the aggregate; and the sum of \$500 is hereby appropriated for that purpose. All other town officers, committees and employees shall furnish to said committee all information requested by it and shall render it all possible assistance. Said committee shall report its conclusions and recommendations in writing to the town as soon as practicable but not later than October 1, 1943.

Article 4. To see if the Town will accept Section 111A of Chapter 41 of the General Laws as amended relative to vacations for members of the regular or permanent police or fire forces of the town.

Voted: That the town hereby accepts Section 111A of Chapter 41 of the General Laws, as amended, relative to vacations for members of the regular or permanent police or fire forces of the town.

Article 5. To see if the Town will accept Section 6B of Chapter 40 of the General Laws relative to the appropriation of money for the purchase of uniforms for the members of the police and fire departments of the Town.

Voted: That the town hereby accepts Section 6B of Chapter 40 of the General Laws relative to the appropriation of money for the purchase of uniforms for the members of the police and fire departments of the town.

Article 6. To see if the Town will vote for a study of the advisability of providing liability insurance for the benefit of officers and employees of the town as authorized by Section 5, Clause 1, of Chapter 40 of the General Laws as amended.

Voted: That the Finance Committee is hereby requested to consider whether it would be advisable for the town to take out liability insurance covering officers and employees of the town as permitted by Section 5, Clause 1 of Chapter 40 of the General Laws, as amended, and to report in writing its conclusions and recommendations and its estimate of the annual cost of such insurance to the selectmen not later than February 15, 1943.

Article 7. To see if the Town will establish a Planning Board under Section 81A of Chapter 41 of the General Laws (Acts of 1936, Chapter 211) as amended, the first members thereof to be elected at the annual town meeting in 1943; to fix the number of members of said board; to fix the terms of the members to be first elected to said board; to see if said board shall be authorized to act as Park Commissioners and shall be vested with all the powers and duties of Park Commissioners in towns; and to see if the existing Board of Park Commissioners shall be abolished.

Voted: That a Planning Board of five members is hereby established under Section 81A of Chapter 41 of the General Laws (Acts of 1936, Chapter 211) as amended. The first members of said Board shall be elected at the annual town meeting in 1943, one member for a term of five years, one member for a term of four years, one member for a term of three years, one member for a term of two years, and one member for a term of one year.

Article 8. To see if the Town will authorize the Selectmen to appoint a Town Accountant under Section 55 of Chapter 41 of the General Laws and will abolish the office of Town Auditor.

Voted: That the Selectmen are hereby authorized to appoint a town accountant as provided by Section 55 of Chapter 41 of the General Laws, that the office of town auditor is hereby abolished, that the compensation of the town accountant for the balance of the current fiscal year shall be the same as that heretofore received by the auditor, and that current appropriations and authorizations applying to the auditor are hereby transferred to the town accountant.

Article 9. To see if the Town will make such changes in the officers to be chosen by official ballot at the annual town meeting in 1943 and thereafter, as may be made necessary or advisable by action under the preceding articles of this warrant.

Voted: That members of a Planning Board established under Section 81A of Chapter 41 of the General Laws (Acts of 1936, Chapter 211), as amended, by vote under Article 7 of this warrant be included among the officers to be chosen by official ballot at the annual town meeting in 1943 and thereafter, their number and terms to be as fixed by law and by said vote; and that all members of the Planning Board heretofore existing under Section 70 of said Chapter 41, as amended, and the town auditor be omitted from the officers so to be chosen.

Article 10. To see if the Town will accept Sections 42 to 44 of Chapter 48 of the General Laws and will establish a fire department thereunder.

Voted: That the town hereby accepts Sections 42 to 44 of Chapter 48 of the General Laws and hereby establishes a fire department thereunder.

Article 11. To see if the Town will accept Section 48 of Chapter 31 of the General Laws placing its regular or permanent police force under civil service.

Mr. Young Moved: That the town hereby accepts Section 48 of Chapter 31 of the General Laws to the extent that it relates to placing under the Civil Service the regular police force of the town, exclusive of the chief of police.

Mr. William R. Dewey, Jr. Moved as an amendment to Mr. Young's motion: That this matter be referred back to the Selectmen for study.

The question was first put on Mr. Dewey's amendment which was not carried. Mr. Young's original motion was then adopted.

Article 12. To see if the Town will appropriate a sum of money for an Honor Roll of men and women of Weston with the armed forces of the United States and to act anything relative thereto.

Mr. Austin Hale Moved: That the Moderator appoint a committee of five people, all fathers or mothers of men in the service to consider and determine all questions relating to putting up an Honor Roll.

Mr. Gilbert M. Upham Moved: That Mr. Hale's motion be amended by adding that there be an appropriation of \$500 for this purpose.

The question was first put on Mr. Upham's amendment which was adopted by a standing vote: 92 persons voting in the affirmative and 22 persons in the negative.

Mrs. Elizabeth Sweet Moved: That in addition to five fathers and mothers Austin Hale serve on this committee.

Mrs. Sweet's amendment was adopted.

Thereupon, Mr. Hale's motion, as amended, was adopted.

Article 13. To see if the Town will appropriate a sum of money not exceeding \$2,000 for the Committee on Public Safety as authorized by Chapter 487 of the Acts of 1941 and to act anything relative thereto.

Voted: That the sum of \$2000 be appropriated for the Committee on Public Safety as authorized by Chapter 487 of the Acts of 1941.

Article 14. To see if the Town will authorize the Selectmen to accept and carry out in behalf of the Town a proposal by Marion B. Farnsworth whereby in substance the Town would grant to her, as appurtenant to her land, the right of travel over a suitable strip of the land of the Town lying between the end of Warren Avenue as laid out and land of Miss Farnsworth, and in exchange for such grant, but with-

out monetary payment to her, she would convey to the Town a parcel of her land containing about three-fourths of an acre and bounded by other land of hers and lands of Boston & Maine Railroad, B. L. Ogilvie & Sons, Inc., and the Town (Such conveyance being subject to a suitable provision limiting the Town's ownership of said parcel to the period of its use thereof for its general purposes), details of the whole matter to be settled by the Selectmen and Miss Farnsworth; and to see if the Town will rescind a vote respecting this subject matter adopted at the annual town meeting in 1941.

Voted: The vote adopted under Article 8 of the warrant at the annual town meeting on March 31, 1941, is hereby rescinded except for the part of said vote rescinding votes adopted in 1933 and 1940, which part shall remain in effect.

Further Voted: The selectmen are hereby authorized in their discretion to accept and carry out in behalf of the town a proposal by Marion B. Farnsworth whereby in substance the town would grant to her, as appurtenant to her land, the right of travel over a suitable strip of the land of the town lying between the end of Warren Avenue as laid out and land of Miss Farnsworth, and in exchange for such grant, but without monetary payment to her, she would convey to the town a parcel of her land containing about three-fourths of an acre and bounded by other land of hers and lands of Boston & Maine Railroad, B. L. Ogilvie & Sons, Inc., and the town, such conveyance to be subject to a suitable provision limiting the town's ownership of said parcel to the period of its use thereof for its general purposes. The width and location of such strip of the town's land, the precise boundaries of the parcel to be conveyed to the town by Miss Farnsworth, the exact nature of the limitation upon the town's ownership thereof, and other terms, conditions and details of the whole matter may be settled by the selectmen with her but without expense to the Town. The selectmen may make, execute, deliver and accept in the name and behalf of the town any and all contracts, deeds and other instruments which may be convenient in connection with the matter.

On Motion of Mr. Tyler it was *Voted:* That the remarks made by Mr. Young as introductory to this meeting be printed in the records.

The Selectmen made the following appointments during 1942:

<i>Temporary Treasurer and Collector</i>	<i>Measurers of Wood and Bark</i>
(to fill vacancy)	
Helen E. Cutting	Cherith M. Foote
